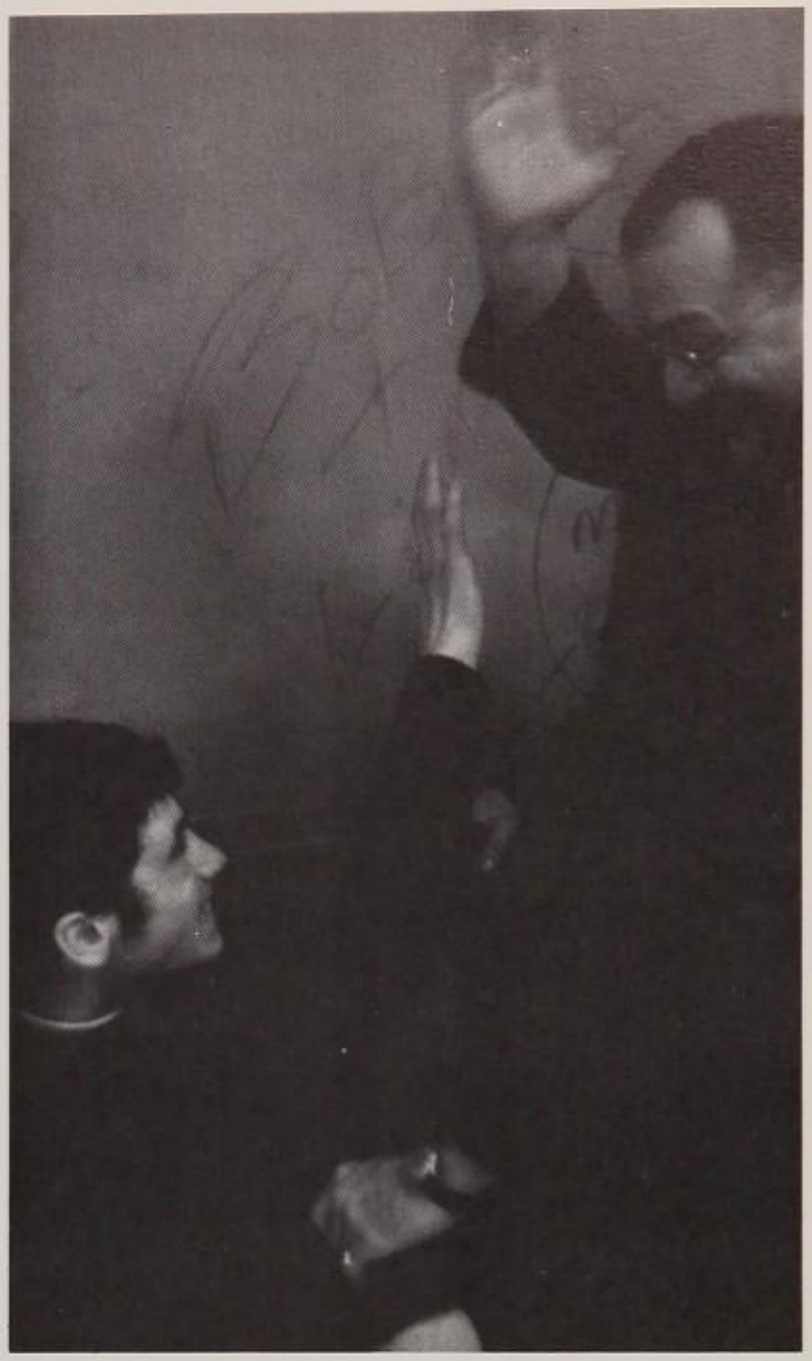
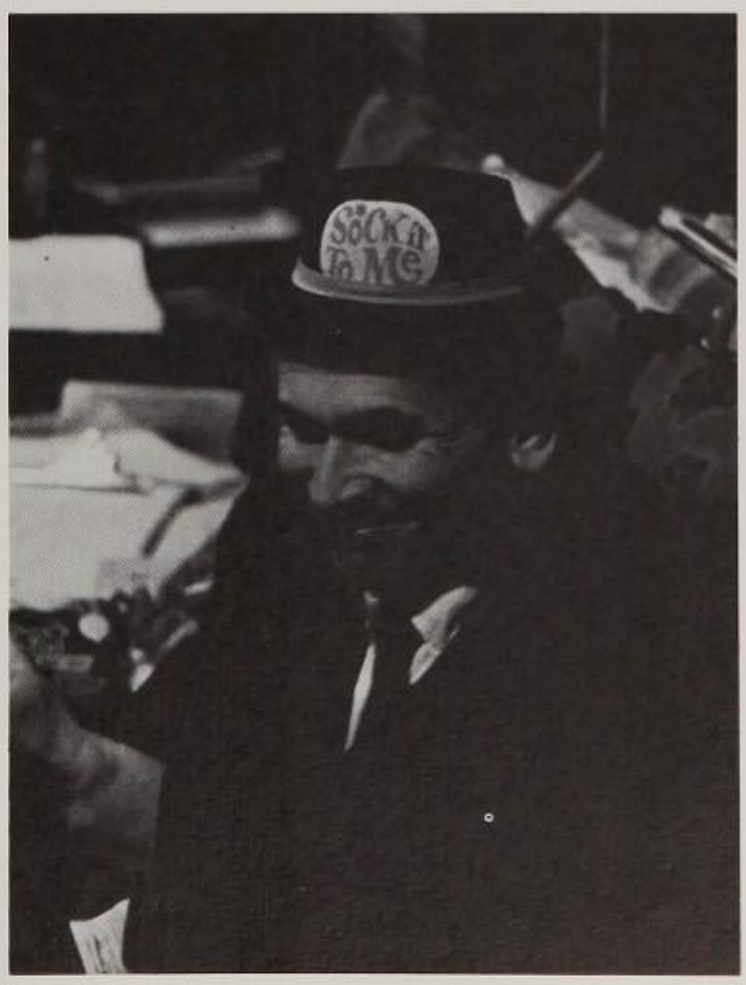
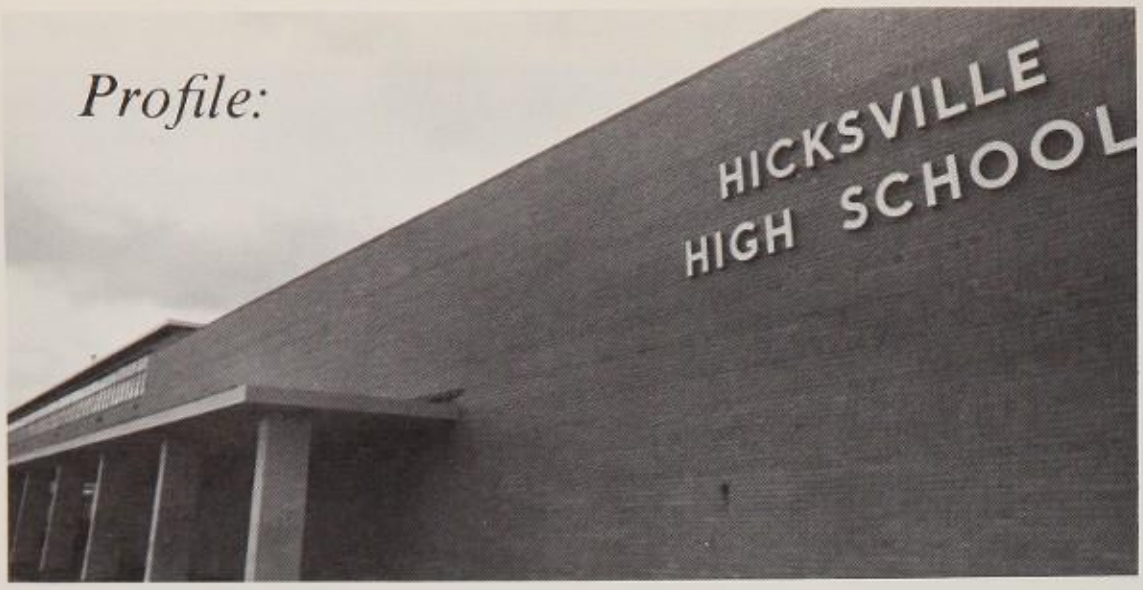
COCKTAIL LOUNGE





Sock it to Me

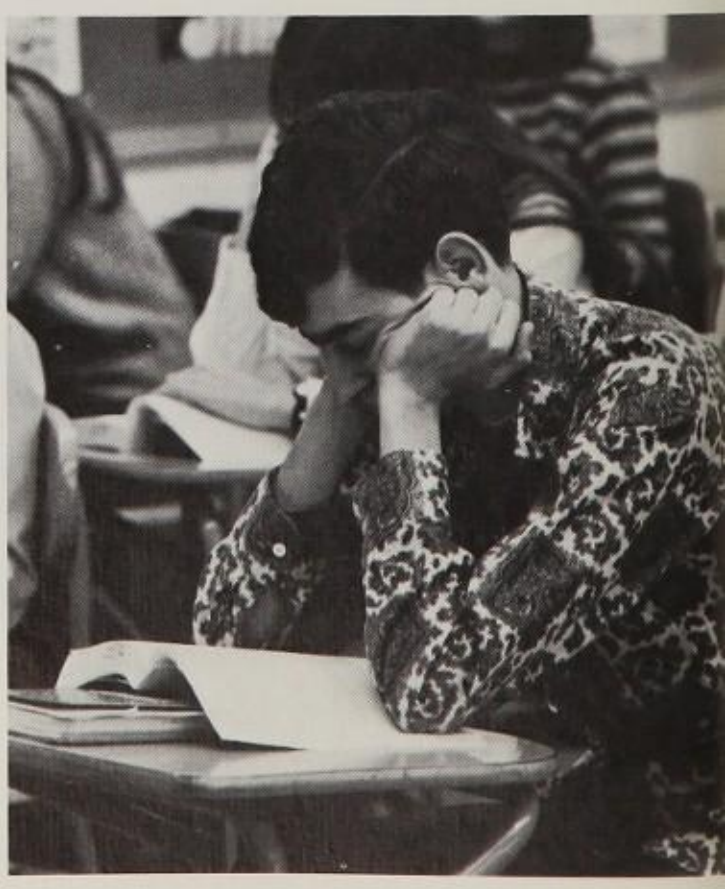


On the first day
you stepped out of the September sun
into the annoying task of being a
sophomore, easy enough to survive,
and while making new friends
and copying their homework
you suddenly emerged as a junior
experienced in the ways of the world.
But Fate had placed new obstacles
in your path, terrifying, insurmountable.

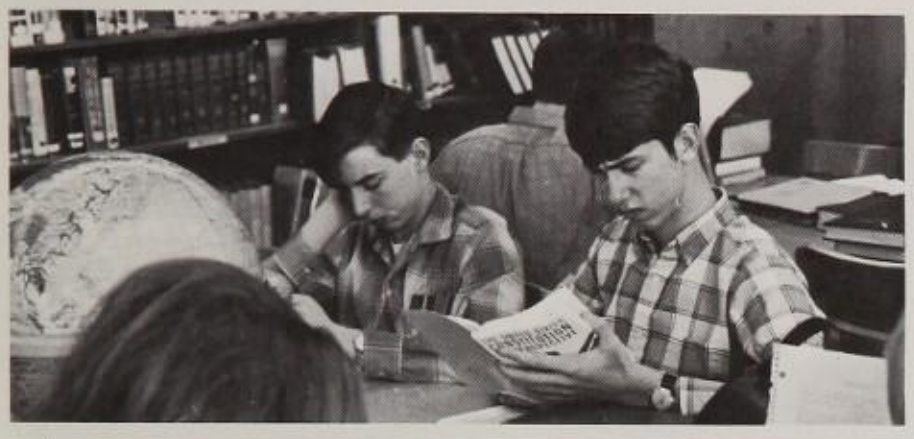
Yet good triumphed over evil as you conquered college boards
and learned how to deal with those notorious hall mothers
and how to bluff having a pass when you really didn't
and how to cut ahead on the lunch line inconspicuously.
When the smoke had cleared from grades ten and eleven
and thought you were getting a good education
you became a senior,
and now you came to know the great glories and privileges
of our last year, hopefully, in the old school.
A senior year was homework undone,
sleep, impatience,
graduation, then memories.

You children don't have any respect for us hall mothers.

Standing majestically in the smoke
of drag races along Division Avenue
Hicksville Senior High School
has braved weather, expansion,
and a bitter taste of austerity
in maintaining its well-earned position
as educator of the masses,
keeper of the faith, and defender
of truth, justice, and the American way.
Historically, the Catchatoree Indians,
a now-extinct tribe who built their village
on what is today a municipal parking lot,
had a legend of an old squaw, who, while
picking corn out near Hicksville Creek,
heard the voice of the great white spirit:
"On this site you buildum heap big school"
When the tribe told the Dutch settlers of
the legend, one farmer, who knew real estate,
seized the tribe's cornfields out by the
spot of the legendary revelation.



Yet, worried that history might not smile on him
for confiscating the lands of the poor Indians,
this Dutch farmer vowed, years later, to bequeath the land
"for the publick goode" for education. Before he died,
he marked the legendary spot with a boulder, inscribed in Latin,
with the words, *Semper Olet,* his cherished family motto.
Although he had no idea of the phrase's meaning, he thought it
had a nice ring; and he hoped that it would one day provide
inspiration for the founding of a center of learning.
So, Hicksville High School endowed with
a rich heritage,
sets out to accomplish the task of education
in academics, vocational, or the arts
for college, business, and the outside world.



Everyone, regardless of race, color, or creed is required to take English for his diploma, besides numerous electives. English is truly a many-faceted experience where the enterprising student learns, in the short span of a few years, most of the basic, and some of the finer points of topics related to the art of self-expression, with words written on paper, or spoken aloud.

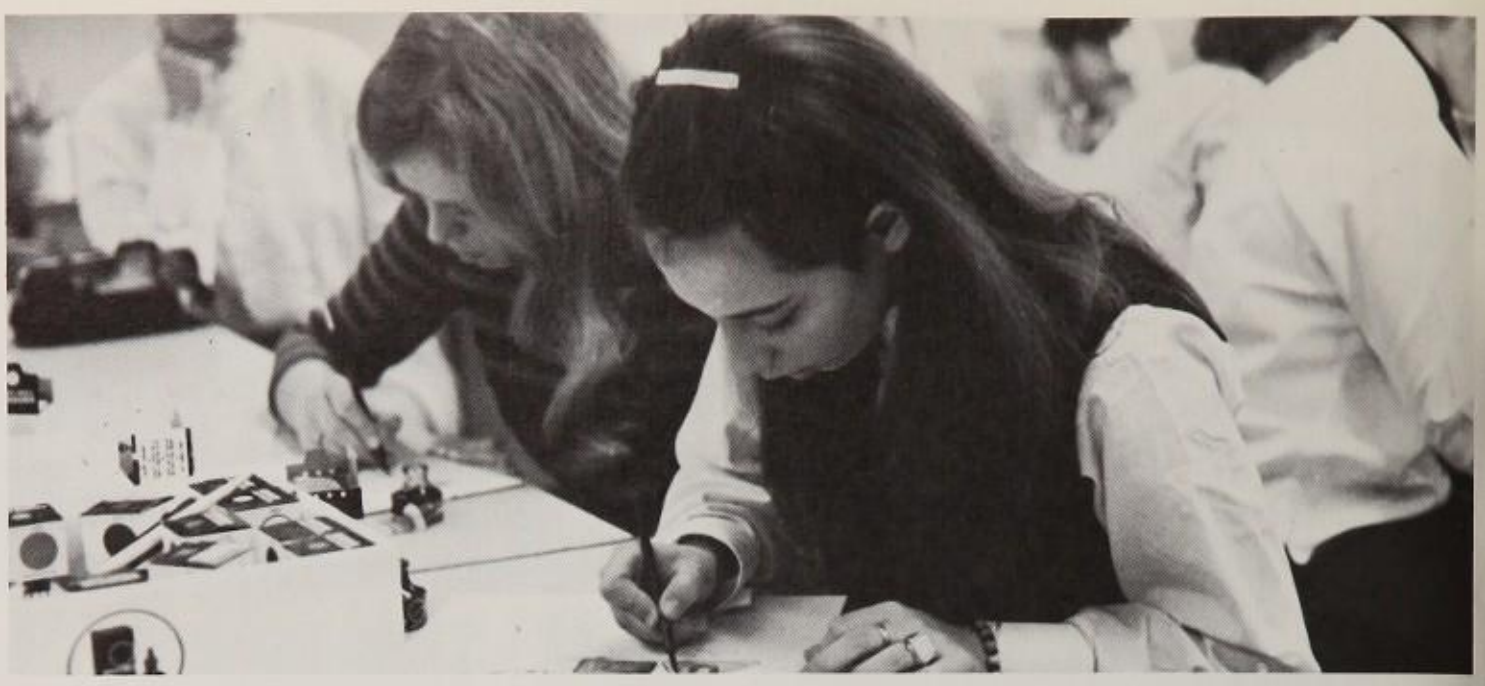
From the sciences of rhetoric, and grammar, the student is exposed to the intricacies of ancient and modern literature, from Sophocles to J. D. Salinger.

The student is equipped to put modifiers in their place, rescue dangling participles, and begin to interpret, after discussion, a wide range of literature.

Self-expression acquired in English courses is applied in discussion in other classes, especially History, which is offered in the World and American varieties.

Half-year courses in government and economics are available to specializing seniors. In the study of history, more important than mere facts are the concepts evolved. All the minute details of the French Revolution of 1789 are unimportant compared with the broader concepts the student retains.

In his mind, any revolution has causes, effects, results, and often screaming mobs, violence, and invariably bloodshed. Armed with this practical knowledge about revolution, the student not only passes tests easily in high school, but in college, profits from his studies by applying history to his new situation.



Science traces natural history in the forms of physics, chemistry, and biology and gives the student a basic knowledge of natural phenomena.

Practical experience is gained in the lab, dissecting lobsters, synthesizing contact explosives, and boiling water for heat studies.

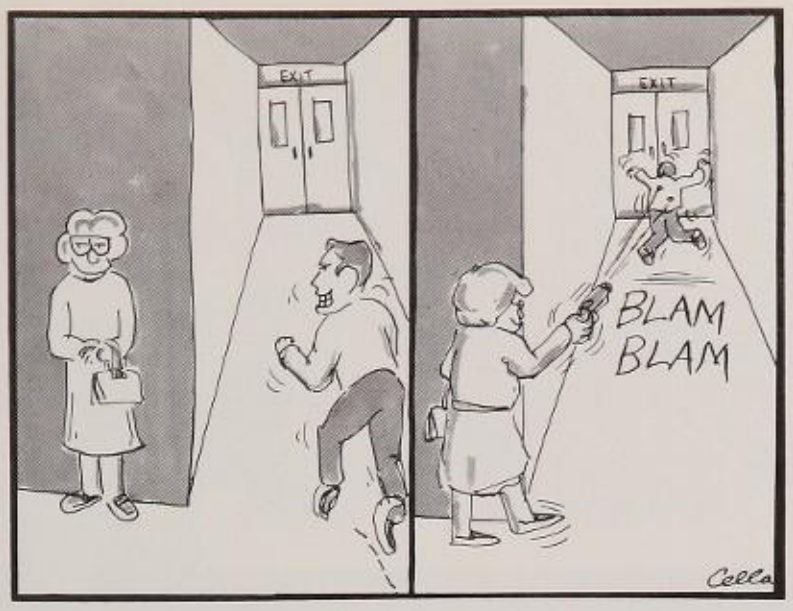
In the world of mathematics, Hicksville High students learn to use the strange symbols and numerical language of the subject. By the time students reach analytic geometry, or calculus, they can tackle the toughest of binomial surds.

Foreign languages, usually designed to make the student more "cosmopolitan" and appreciate the cultures of other peoples sometimes ensnares him in the quicksand of grammatical conjugation and everpresent, omnipotent, idiomatic expressions.

But through efforts of teachers, and with the help of constant drill and review, what seemed a Dante's *Inferno* of language was cooled into a *cielito lindo* If troubles persisted, *C'est la vie.*

Art, drama, speech, and music are pleasant academic diversions which attempt to aid in the development of actors, orators, Picassos and musical virtuosos.

Successful or not, there is at least the satisfied feeling of having tried. Marching up and down a rock-hard football field in below-zero weather with a tuba, may not be pleasant, but the defrosting feels good, later on.

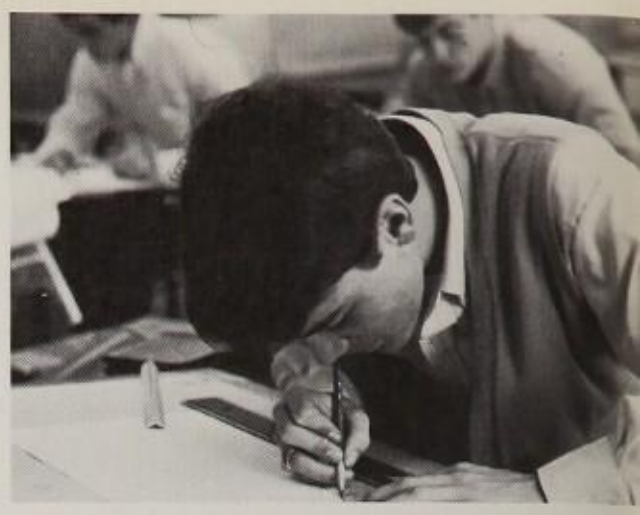


Rumors fly about that wonderful course whose real name is supposedly so secret, it's called *Project Plan*. Yes, students really have the choice to do homework or not in this independent study group. Recently they were found exploring the old sailing vessels at Mystic, Connecticut, having a great time. Hicksville High does, in fact, prepare students for something other than college, or a life visiting seaports. The vocational program at HHS readies students for careers in industry.

Along with courses in the industrial arts, students take courses in math, English, science and history. The print shop boys practice their trade by printing school and district publications, a profitable setup for both the students and the district. Nearby the whirr of the lathe announces the carpentry shop, whose workers help out with construction work for school dances and productions.

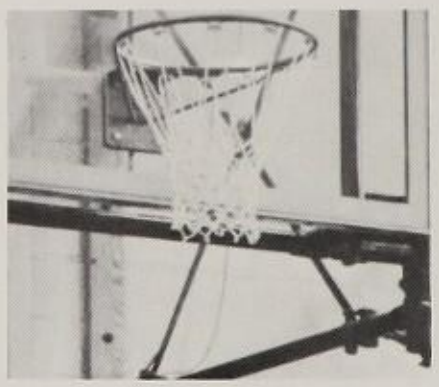
The beginning driver's ed. student might be convinced that his car may be the next specimen for the auto shop. The boys do work on several vehicles, curing their ills and keeping the engine tuned. Hicksville would still be Indian cornfields if not for the application of skills taught in the architectural drafting course. Commerical building and home designing are emphasized. Yet the industrial arts are not the province of men only as evidenced by the beauty culture program, where 1,000 hours of practical work and theory are required for a license after a state exam. Experimental styles are reserved for mannequins and the braver faculty members.

in addition to these
profitable experiences,
Hicksville High offers
a wide selection of
courses for developing
new candidates for the
business world, including
typing, bookkeeping,
merchandising,
and courses
in stenography,
and business arithmetic

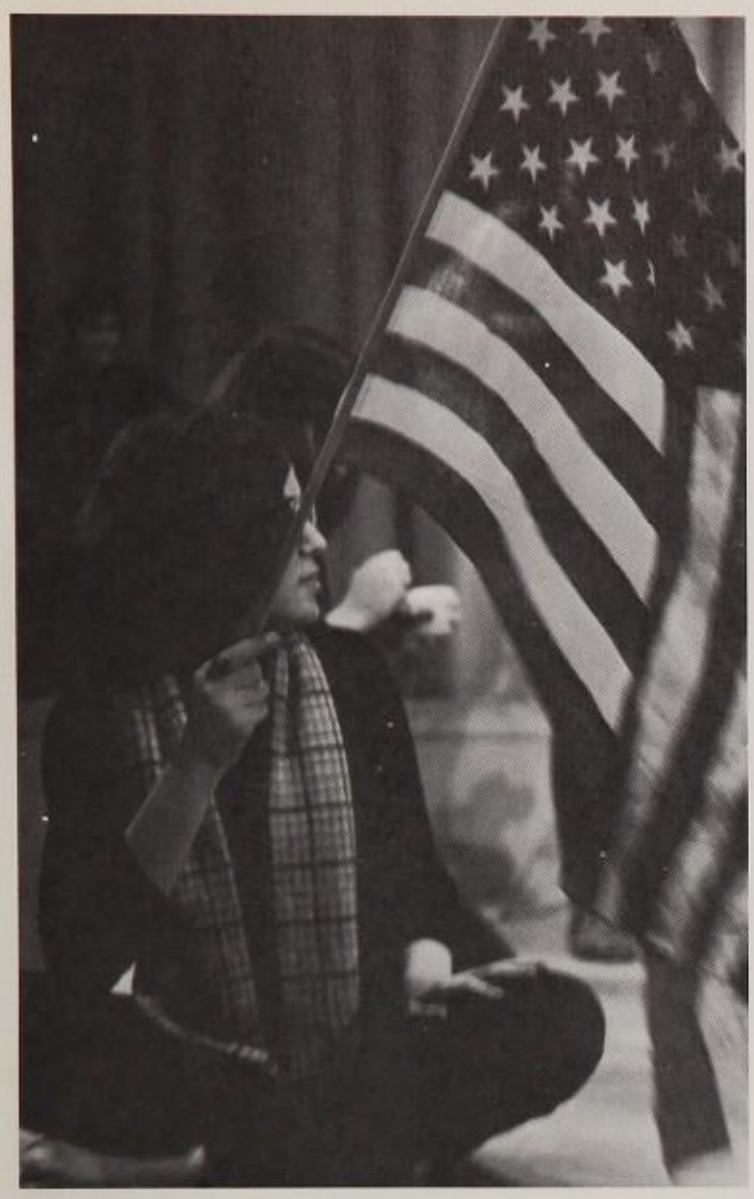


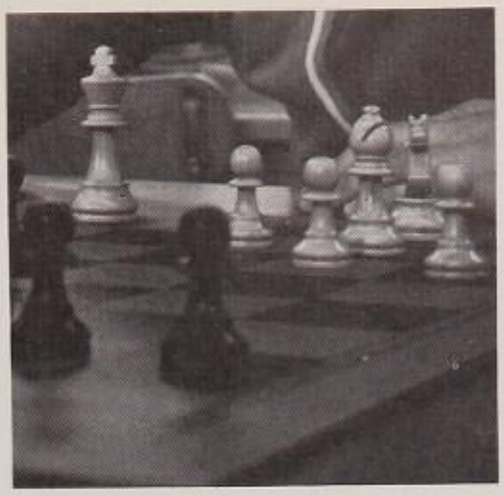
After classes a good part of the
senior class and a few
stragglers from the junior class,
drop into lecture
or the front seat of
a brand-new Montego
for Driver's Education.
Students are taught the finer
points of sportsmanlike driving,
and pink slip in hand,
sit behind the wheel in the car
to see
who panics first:
you, or your instructor.

And now I'll teach you how to park.



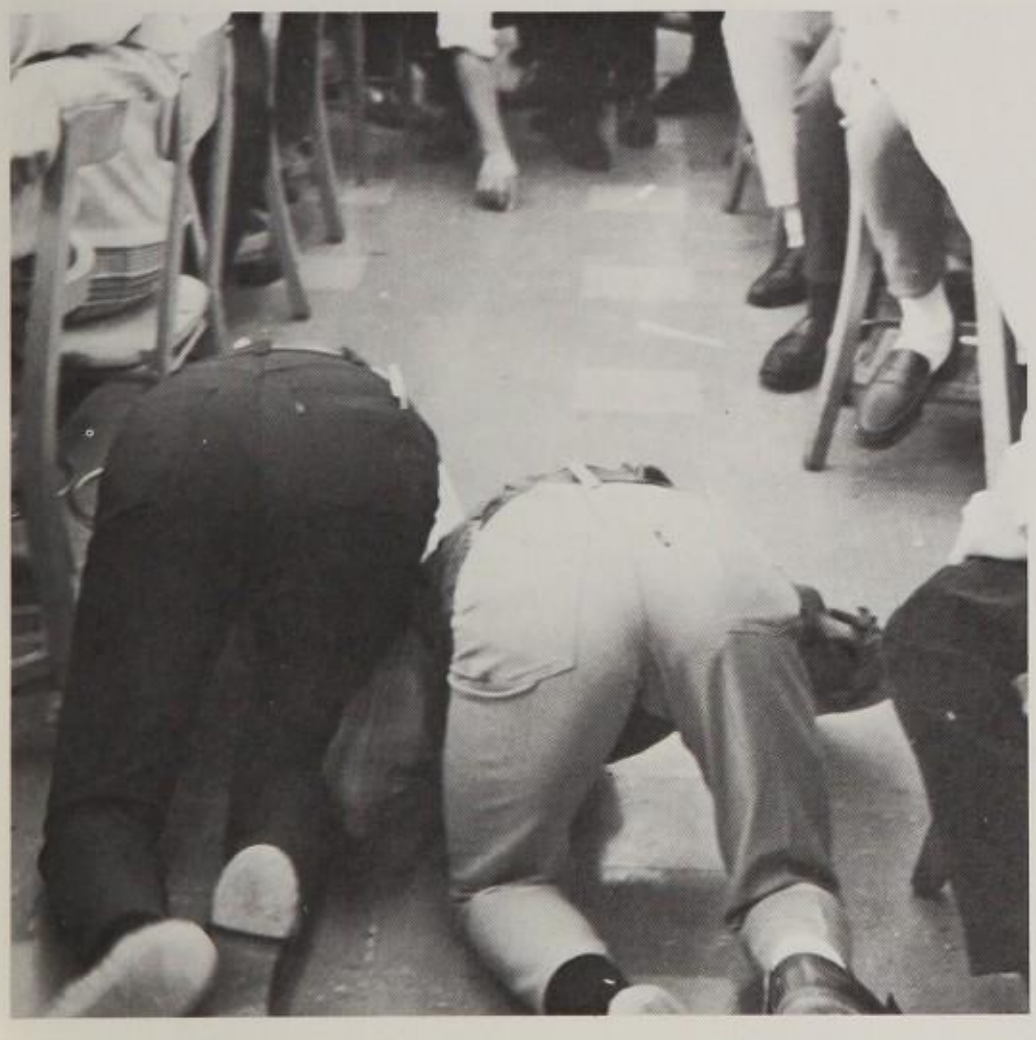
And when the car was safely back
in its stall in the parking lot,
it was usually time for study,
or arduous homework
which sometimes seemed too much
but whatever was undone
was hopefully overlooked.
The day of judgment came
every ten weeks, at the end of the quarter,
spread out over a week,
in which tests of all description
were hailed upon you: essay, short-
answer, multiple choice—if
you happened to be lucky, there
was a *matching* question.
Gyp sheets or not, the answers,
and their location were known
only to you and your conscience.
And when the teachers trudged home
on long weekends, sharpening
long, red correction pencils,
you worried in apprehension.
The relief came on one Thursday,
and the computer,
in its cold, mechanical style,
wrote you its congratulations.

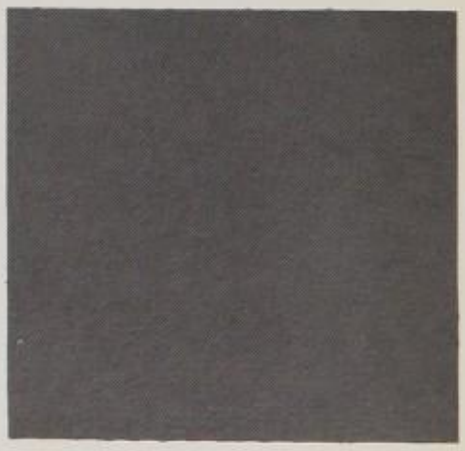




When notified of the official grades
and the certainty of graduation,
there were many echoes to be heard,
of cheering teams on to victory, the
bell at the change of classes,
and the ominous voice on the loudspeaker
"This is Mr. Rusch. Speaking."
Now cherish that time you forgot
that homeroom was changed from after fourth
to the beginning of the day, and you
wandered around lost, mystified, bewildered.

Out in the
outside world,
remember that
the school
still stands, poised,
to educate the next year's
seniors.
Halls now hollow,
lockers cleaned
and the dust
and smoke
of the exuberant
class of '69
still rise and
settle.
Hall mothers conquered,
teachers befriended,
subjects passed,
friend made.
A group of 1066
hopeful
educated young people
now charge out
onto the playing
fields, hearing the speeches,
the awards, and nostalgia.
Hope, ambition,
and education,
go out and help the world.





Pledging: noses push nickels.

At far right, the Board members field questions at the first public meeting of the school year, attended by nearly one thousand concerned members of the community: Mr. O'Donnell, Mr. McCormack, Mr. Jackson, Mr. Sternberger, Mr. McManus, *(left to right).* At this meeting, the Board announced its plan to resubmit the budget in seven propositions to the voters at the September 20th referendum. All were passed but one, and the district went off austerity.

I would like to congratulate the Class of 1969 on the successful completion of your high school education. It is difficult at this point in your life to assess the benefits of your high school career. As you find time to reflect on these past years, you will become aware of certain important values that are vital in your maturing process. America today needs young people with vision and strength to help solve the many problems we find around us.

I have no doubt that the members of the Class of 1969 will be in the forefront of responsible citizens working to achieve the goals and objectives of our society. It is important at this point in your life that each of you evaluate his own character and personality so that you may make the decisions that are best for you in your lifetime ahead. If the education you have received helps you to make these decisions wisely, then you are fortunate indeed.

May I wish each of you success and happiness wherever you may go.

SCHOOL ADMINISTRATION

SUMMIT CONFERENCE . . . in the office of the principal to decide some of the crucial points of effective administration: Messrs. Olvany, Jones, Rusch, and Feigin.

Despite the confusion created by 3,000 high school students confined in a small space, not one person has been trampled to death, shoved out of a nearby window, or flattened into an educated pancake—all thanks to the Administration.

Of course, Mr. Rusch and his assistant principals have much more to do than regulate the flow of traffic. Many people remember most their disciplinary functions, with appropriate sentiments. Yet these men also must organize the office into an efficient working body rather than a conglomeration of clerical chaos. The Administration bears the burden of attendance records; this year they established a special Attendance Office with the official regalia of admit slips and stamps. The Administration supervise many after school activities, aid the faculty, and deal with omnipresent complaints. Perhaps most important, they correlate the high school with the community, uplifting the school from a week-day necessity to a thriving participant in local life.

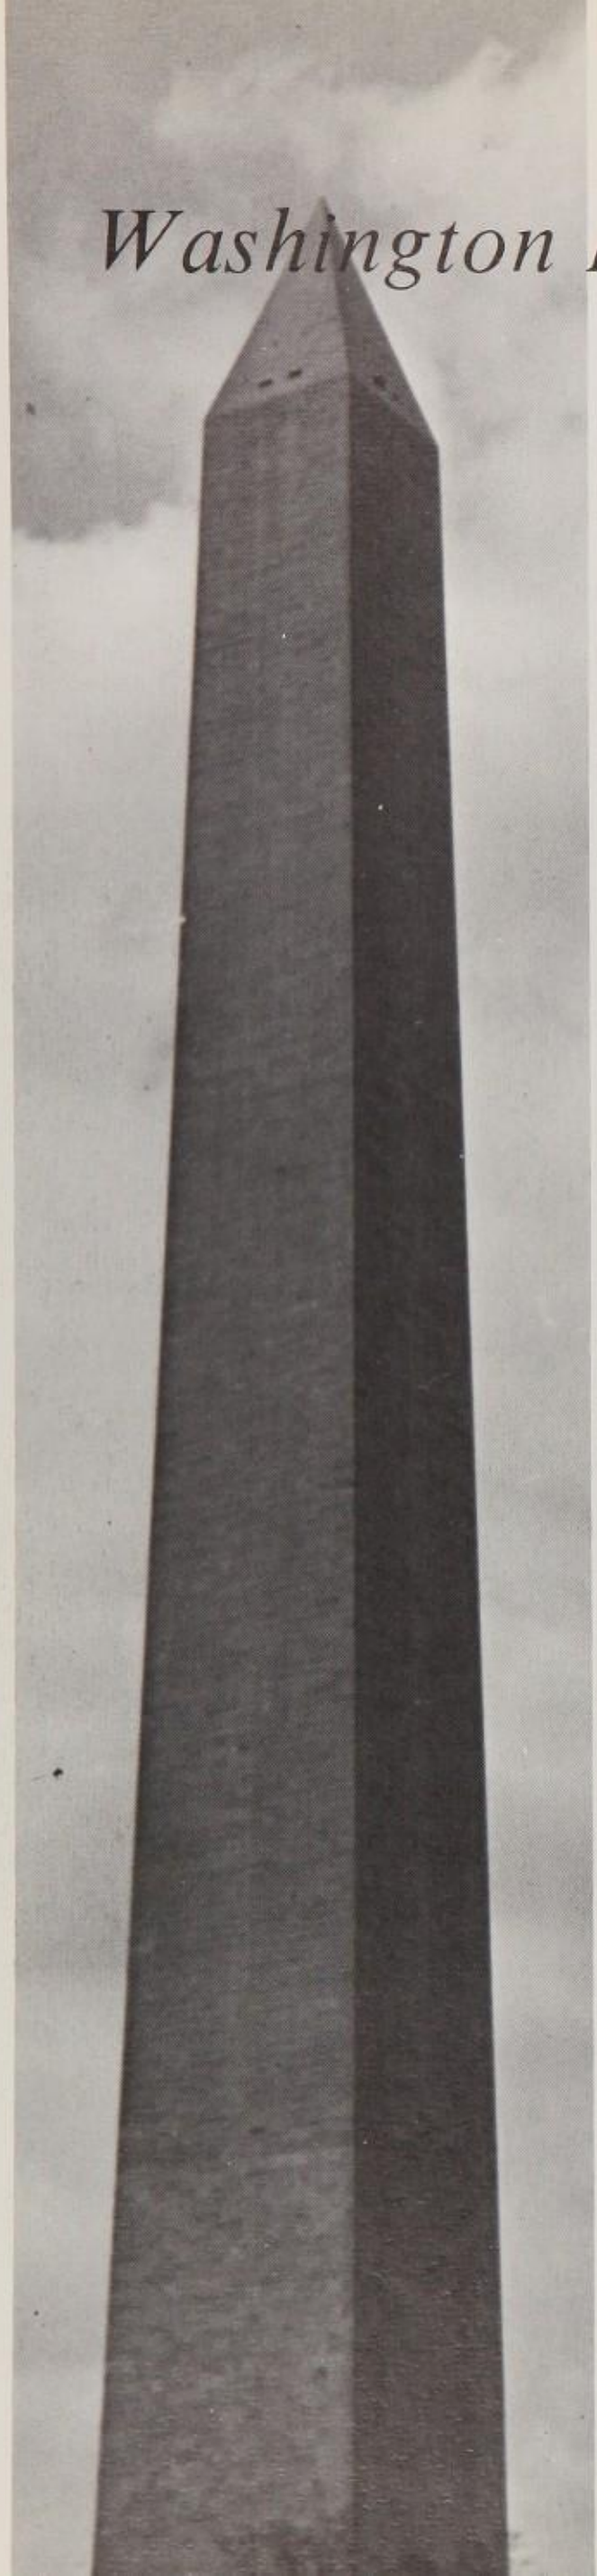
In Memoriam
David Emery Brennan
1951-1968
Class of 1969



Washington D.C. 1969

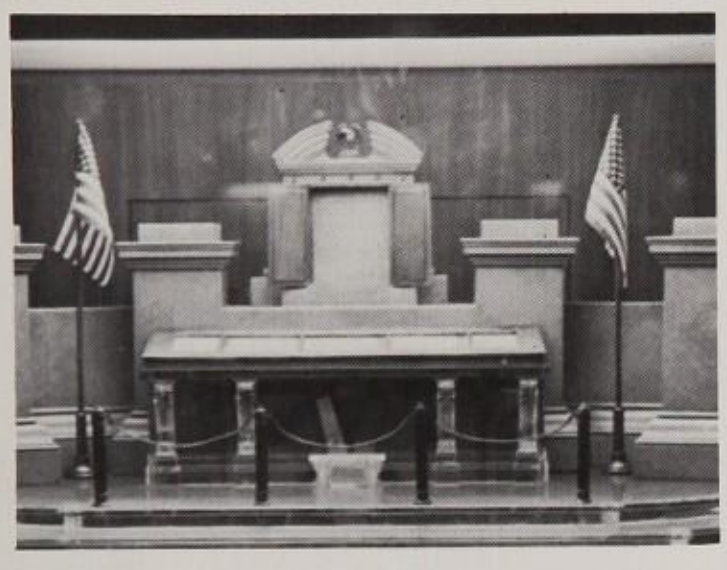
It all began Thursday morning, March 27th at 5:45 AM as we assembled in front of the High School—toothpicks holding our eyes open. In keeping with the old Hicksville tradition we started out late but in no time the poker games (gambling strictly forbidden!) were in full swing. Baltimore found us boarding our touring buses to take in local antiquity. Our first stop was the Washington Monument where some of us took the elevator to the top while the rest, with the spirit of early Americana (?), trudged up the 898 steps. Next we watched lovely quantities of green being made at the Bureau of Printing and Engraving. We visited the National Archives and viewed the exhibits at the National Geographic Society Hall. We even found time to buy out whole supplies of water pistols. After dinner we prepared for the dancing and drinking (Coke) at the Presidential Arms Hotel that took place later in the evening.

OVERLOOKING THE WATERS OF THE POTOMAC . . . we caught a panoramic view of the Jefferson Memorial.

GOING UP . . .
HHS seniors chose
the elevator over
climbing the 898 steps
of the Washington Monument

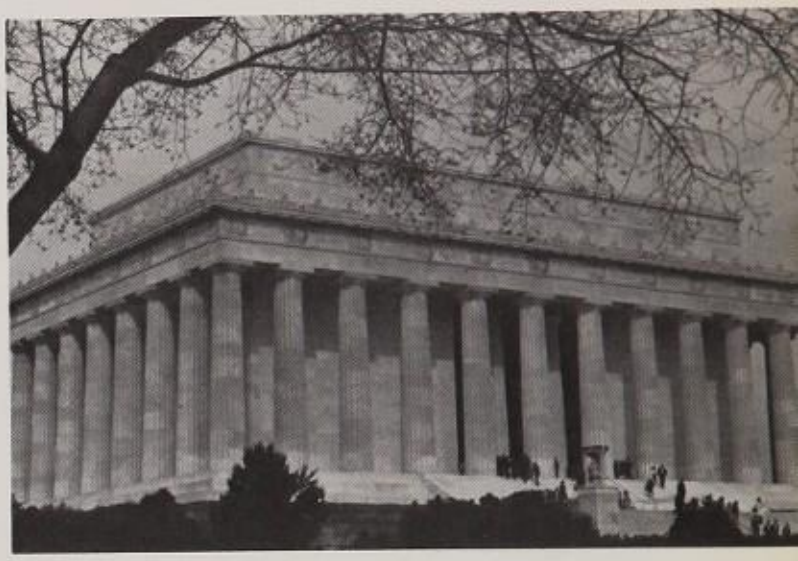
ECHOES OF HISTORY . . . in front of the Capitol *(left)*, and near the famous statue commemorating Iwo Jima *(below)*.

WILD IN THE STREETS . . . of Washington—perhaps—HHS seniors take a breather: *(l. to r.)*—Jerry Levine, Ron Kochman, Dennis Ivey, Bill Hamilton, Jane Deveau, and friends.

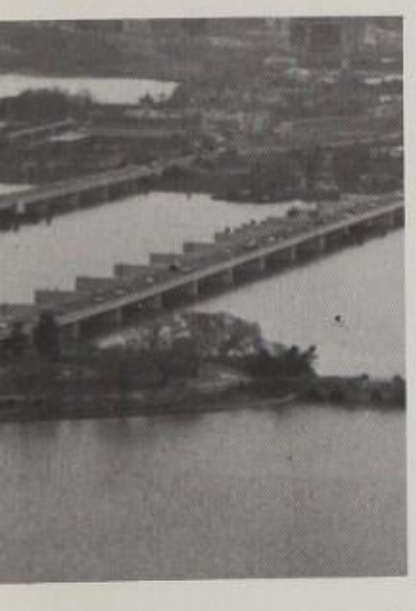


WE, THE SENIORS . . . glimpsed the famous U.S. documents.

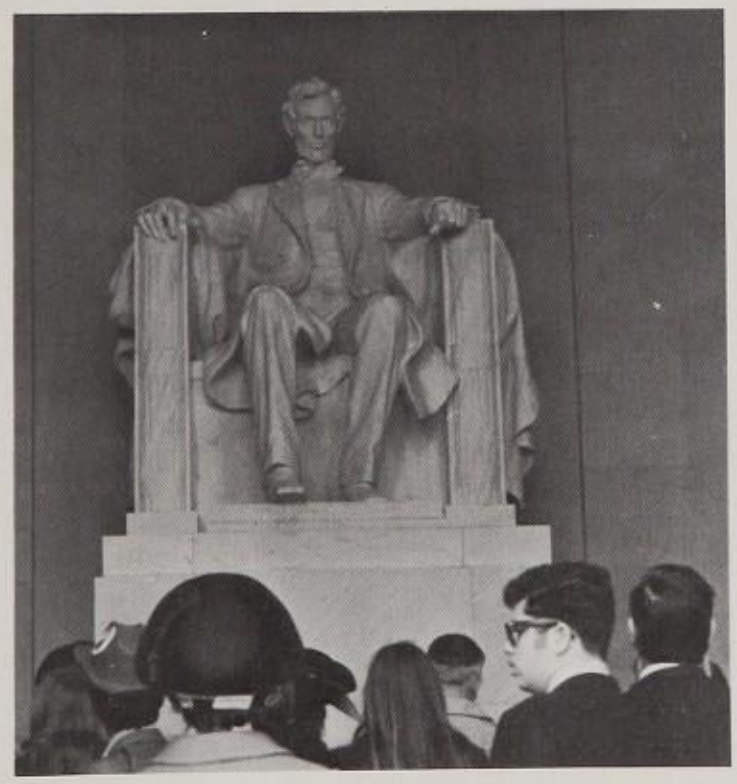
CLICK! . . . photographer Gary Enos.



UP THE STEPS . . . seniors explored the Lincoln Memorial.



"IN THIS TEMPLE AS IN THE HEARTS OF THE PEOPLE, FOR WHOM HE SAVED THE UNION, THE MEMORY OF ABRAHAM LINCOLN IS ENSHRINED FOREVER."



SOLEMN CEREMONY . . . for America's unknown soldier. Senior class President Gary Enos and Vice-president Glenda Miranda placed a wreath at the tomb in behalf of HHS and the graduating class of '69.

SIGHTS AND SOUNDS . . . of Washington, Feeding pigeons on a shady walk *(right)*; Sal Martello *(center, right)*, getting an audio glimpse of U. S. history; and chaperone Mr. O'Doherty *(at far right)* leading his delegation down the steps of the National Archives.

RIGHT AT HOME . . . Bill Henne found the *Charterhouse* to be quite accommodating.

ALL SOLD OUT . . . after the wave of HHS seniors hit, Washington waterpistol bins were almost empty.

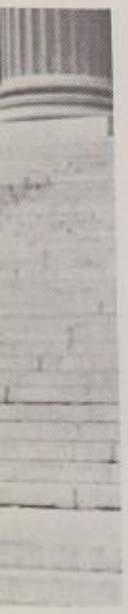
GROUP THERAPY . . . can only describe the dance at the Presidential Arms Hotel, on Thursday night.

EXECUTIVE MANSION . . . better known as the White House sprawls in a wooded estate in the heart of downtown Washington.

ALL ABOARD . . . those indescribable green-windowed buses, to be whisked away to new sights and sounds of Washington.

LANDSCAPE . . . dominated by gray stone, framed by budding trees.

. . . and Williamsburg



Up bright and early after a sleepless night—our first with the Rat Patrol on guard duty—we went off to spend the day in Williamsburg. As we walked around the first capitol of Virginia, guides lectured us on the historical importance of the city. Afterwards we bought three-cornered hats and new water pistols. That evening back at the Charter House—"Our home away from home"—a Coke party was held while the Rat Patrol kept busy chasing boys out of the girls' rooms and the girls out of the boys' rooms. Two of us managed to dump a bucket of water over Mr. Munch's little head in revenge for all the water guns he had smashed during the course of the trip.

Saturday was jam-packed with sights, starting with the Lincoln Memorial and including the Tomb of the Unknown Soldier where we watched the changing of the Guard. We had our group picture taken and visited the Nation's capitol. Before we realized it we were on our way back to Hicksville. We arrived home in the rain, (did Mr. Munch do a rain dance on the steps of the Capitol, perhaps?), the only bad weather we experienced on the trip. As one senior put it, "It was really great—even the city was good!"

Valedictorian

Irene A. Pick

Irene A. Pick hopes to combine her record as an outstanding student of the German language with her future ambition of teaching. She finds time from academics to participate in the activities of the German Club, of which she has been a member for two years. A member of the National Honor Society, she takes to the snowy slopes in winter with the Hicksville High Ski Club. Later, in the warm confines of the Girls' Gym, Miss Pick devotes time to the fine art of folk dance. In September, she will enter Hunter College, or the State U. at Stony Brook.

Paul R. Hanau, as member of the photo club and as photo editor of Comet '69 combines one of his hobbies with academics. An ardent musician, he has played trombone in the advanced band three years, and participated in the dance band, marching band, and theatre orchestra, during this period, and played piano at the recitals of Tri-M (of which he is vice-president). A Thespian and an honor society member, Hanau also finds time for model plane flying and building harpsichords. He will attend Brown University next September.

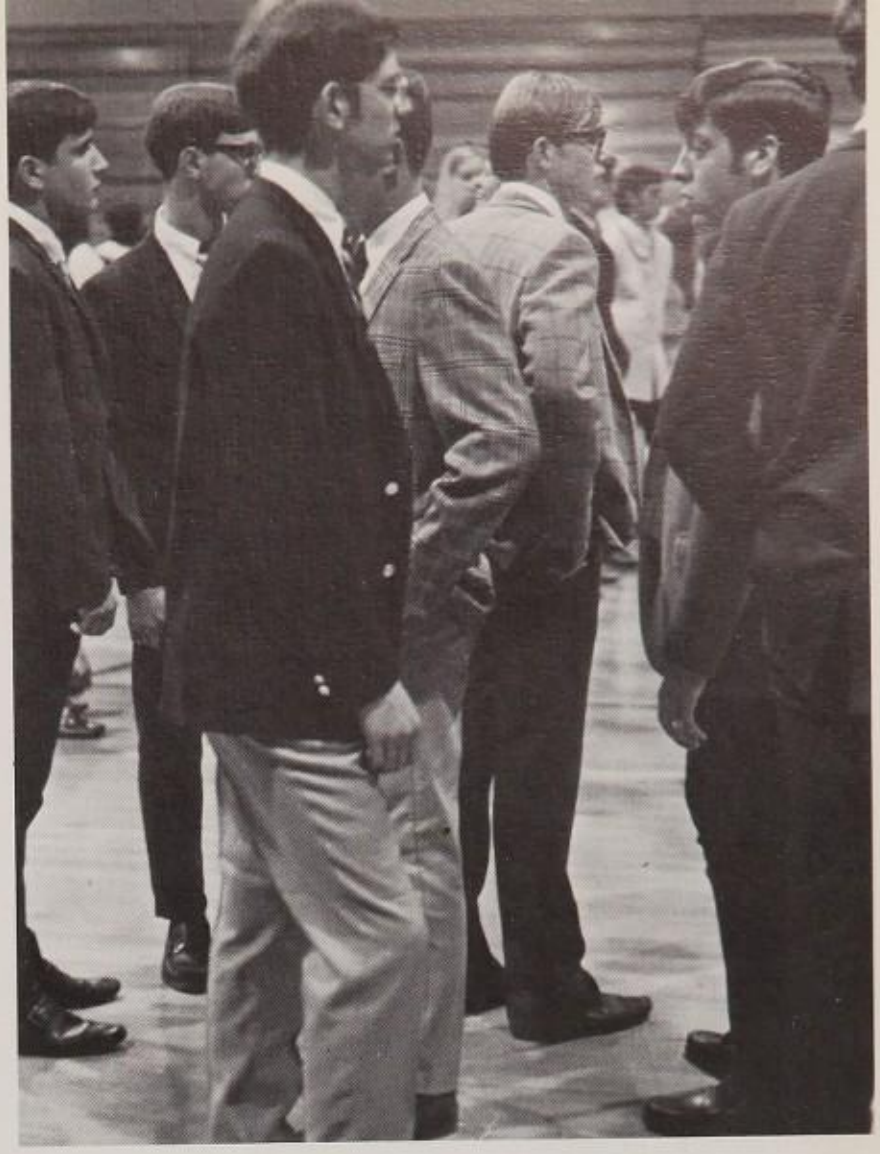
brave the savage rains to cheer the football team.

A school year is a school year as any self-respecting student will tell you. Yet 1968-69 promised more in the way of excitement than any year to date. The term commenced with a bang, although that bang was three weeks late. Austerity budget troubles plagued Hicksville students in the opening days. However, not letting the situation get the best of them, student organizations combed the town with petitions to ensure the safety of a complete school year.

By late September the battle was won and the first home football game got underway. Amid thunderous applause, Mr. Rusch dedicated a new electric scoreboard. Needless to say, it didn't quite function properly; still, the Comets went on to overpower Clarke, 20—0.



THE GIRL WATCHERS . . . are available at any dance, in any season, in all sizes, shapes and colors.

Dances were held more frequently than usual. The debut of the Browning-Hodges acid-rock group inspired the dancing and frolic of the PTA mixer. Paisner's Birthday party, sponsored by the Class of '69, celebrated the Comet's victory over Division Avenue. Mr. Paisner's guests were entertained by the mind-expanding Blue Glass Illusion—psychedelic lighting and all.

Rounding out the first quarter were novelty events including a Key Club-Interact Club basketball game and a Thanksgiving week Basketball match featuring the Court Jesters and the HHS Allstars. The Allstars may have been beaten in form, but not in team spirit.

BROWNING-HODGES MISTAKE . . . socked out the entertainment at many of the school dances.

THE COURT JESTERS . . . jested their way to victory over the fabulous Hicksville High Allstars.

CLASS ELECTIONS: POPULAR CANDIDATES WIN THE VOTE

THIS YEAR'S POSTERS . . . had an All-American appeal.

FRIENDLY PERSUASION . . . made it possible for Gary Enos and Glenda Miranda to make successful bids for class offices.

Ever popular candidates were back to run again this year in class elections. Predictions were fulfilled, yet there were a few surprises in the offing.

Naturally, poster making became the greatest challenge of election week. Crews of diligent campaigners worked feverishly seeing who could produce the biggest, wittiest, most original piece of electioneering. Meanwhile packs of vigilantes proceeded to tear down and deface as much of their opponents advertising as possible. Both sides were kept busy. There were the usual amount of write-in candidates, who successfully managed to divert a major percentage of the vote from the main candidates. The result was a well-contested race.

Seniors elected Gary Enos president, Glenda Miranda vice-president, Pat Kiernan treasurer, and Paulette Florio as secretary. A landslide vote elected Joe Zuckerman president of the junior class. JoAnn Staffieri became vice-president along with Mary Jo Defendis as treasurer and Kathy Brennan as secretary. Sophomore returns decided the presidency for Hank Shadwell. Robin Ribarich was elected vice-president. Carol Greenstein and Wendy Leet were voted in as treasurer and secretary, respectively.

The officers settled down to plan class activities.

SPECIAL COMMUNITY PROGRAMS

An unusual variety of concerts and special programs were presented throughout the year. The most outstanding display was that of Carmina Burana, a modern classical repertoire written for voices and instruments. The Community Chorus and Orchestra along with the HHS Chorale combined to present this special in Holy Trinity High School. Stephanie Katz was the featured soloist and Mr. Goleeke directed the chorus with great enthusiasm.

Folk concerts seem to be in vogue again. Talented groups and singles performed at concerts sponsored by the school and the Folk and Jazz Club.

Students were kept informed of happenings via class meetings and the good old P.A. system. Several interesting assemblies have been given to permit pupils to see shows they might not otherwise have the opportunity to view. One such assembly was given through the Chrysler Corporation and received a standing ovation from an enthusiastic audience.

TALENT PAYS . . . Joan Friedenberg and Dave Ingvoldstad performed in folk concerts and recitals during the year

Dear Diane,
This year went so fast,
it's unbelievable.
I'm looking forward
to the summer so
I'll see everyone.
I'll miss you in
the fall. Don't forget
me in Italian class
(how could you?)
Love always.
Joyce

A COMMUNITY EFFORT . . . was put forth to present Carmina Burana to the residents of Hicksville.

NOW INTRODUCING . . . Mr. Goleeke presents Stephanie Katz as soloist.

SENIOR CLASS MEETING . . . was addressed by Mr. Rusch who had *"a few things to discuss."*

ALL-SCHOOL COUNCIL

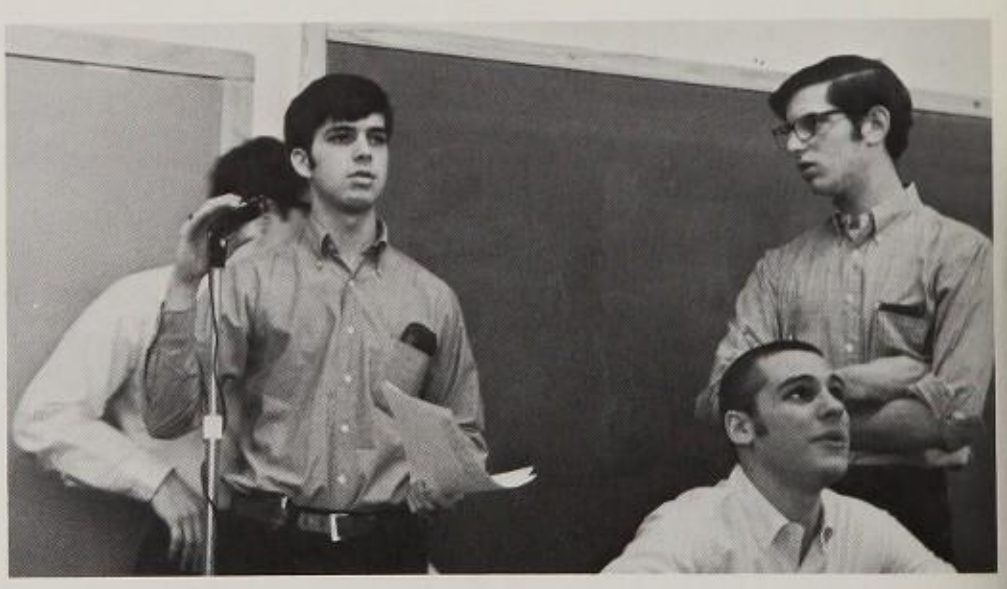
XMAS, ALUMNI

As the end of December draws near, students at HHS overflow with new exhilaration and joyousness. This is due to a combination of raw chilly walks on cold mornings, and the prospect of an up coming Christmas vacation.

The day before Christmas vacation brings all sorts of Alumni to the high school. Alumni Day, sponsored by the All School council, gives former students a chance to meet their old teachers and sneer at the kids still in the high school. The regulars of Alumni Day, Santa and his magnificent reindeer danced through the gym and distributed presents to all the good little teachers and some bad ones, too.

Back for a return engagement, this year's Innash dance proved to be more popular than ever. Weeks before, hungry man-hunters roamed the halls trying to snare unsuspecting males. The word Innash is derived from three phrases. IN-for inch; the girl must pay a nickel for every inch dif-

FINISHING TOUCHES . . . administered by the golden fingers of Mickey Meyer.



CHAIRMAN GARY HODGES . . . kept the order at all ASC meetings.

OLD SAINT NICK . . . and his shapely reindeer distributed plenty of joy at Alumni Day.

ference between hers and her partner's height. NA-for Noah's Ark; meaning couples must dress alike. SH-for Sadie Hawkins; the girls must ask the boys. The results are often hilarious and prizes are given for the best costumes.

President Steve Rose, Chairman Gary Hodges, and Mary Englert, head of the Student-Sponsored Activities Committee, have instituted many worthwhile projects this year. From the *Save the Children Federation*, two children, a Korean boy and an Indian lad, were adopted.

Because of the pressure of public opinion, music was piped into the lunch rooms. Now everyone can be totally contented as they throw thick shakes.

The latest ACS movement has been to establish a dress code to eliminate the controversy over such items as pants for girls. It was last reported stalemated in committee arguments.

THE ODD COUPLE . . . Barney Gill and Barbara Gellert as Laurel and Hardy.

WANNA LICK? . . . asks Donna Grant as she and Gene Malarsky appeared at the Innash Dance.

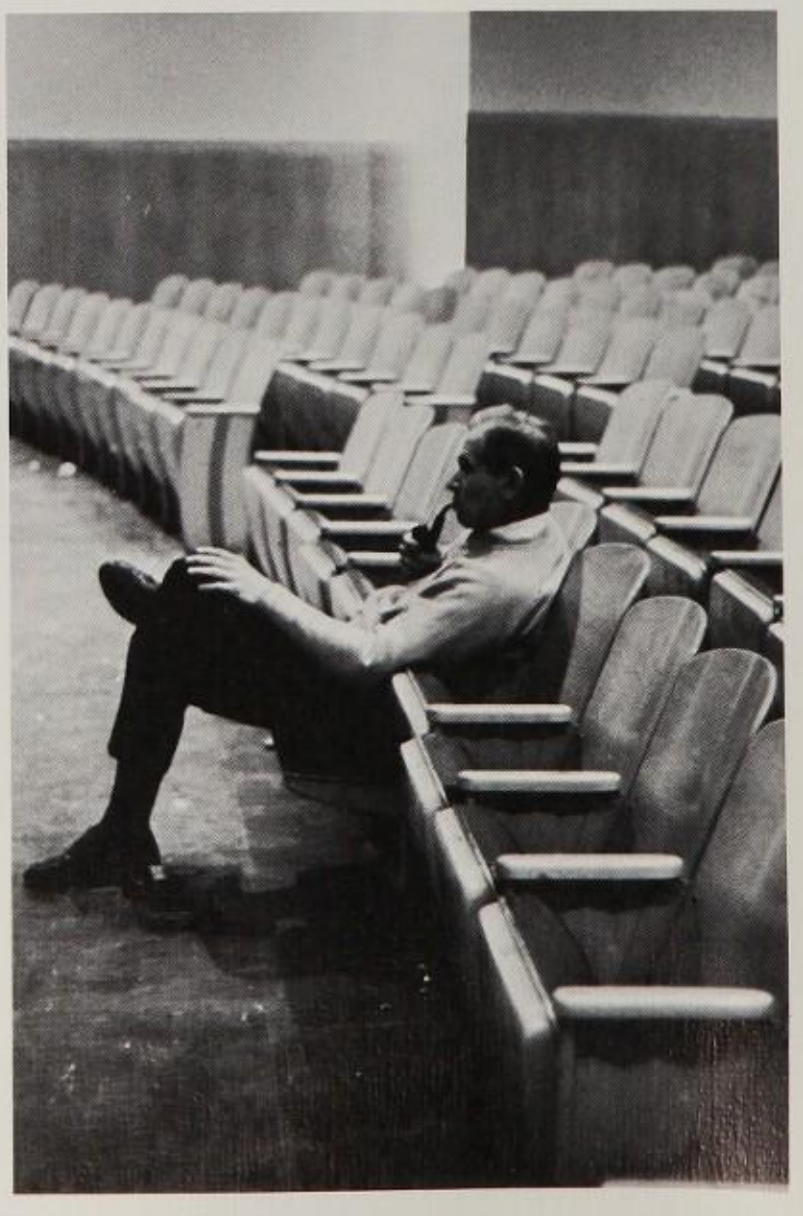
THE CAST OF VARIETY '68 . . . get together to destroy the existing script.



MR. CRUCILLA . . . enjoys a pipe while he contemplates the outcome of the show.

Sock-it-to me Variety, directed by Mr. Crucilla and presented on November 14,15, and 16, 1968, came up with an evening of delightful entertainment.

Instead of the usual onslaught of blackouts after the cast opened with *Hey, Look Me Over*, the Dance Band performed under Mr. Abt. Then, to the consternation of those in the front rows, a tableau was set up in the pit and *A Husband for Mag* began. This was a charming comedy which took place in Scotland.

Two other one-act plays were put on, *He Done Her Wrong*, a melodrama, and an allegorical, existential piece, *Slave with Two Faces*.

More usual numbers included a dance by Jan Sawtelle with her own taped voice singing "Show Me" in the background. The Browning Hodges Mistake did two solos, then added Eve Buckner for *A Piece of My Heart*. The rock group also appeared in *Torrid A Go-Go*. *On a Clear Day* was a musical soap opera about two runaway adolescents, their parents, and a toy store display.

At last, the Finale, an as yet unheard of spectacular. This gargantuan production, written by Mr. Arnold, Michael Zuessman, Peter McEntee, and Gail Greenstein, was entitled *In a Pear Tree*. It featured Peter McEntee, Janet Dodson, and, of course, the entire cast plus a lot of confetti.

One would have had to be a frozen mammoth not to have it socked to him. National Thespian Society Troupe 2125 presented a smashing show.

THE LIVING ROOM . . . otherwise known as Rm. 179 is kept in meticulous order by Diane Engle.

TALENT SPARKLES IN CONCERT

The broad Hicksville High School Stage was host to a variety of interesting and stimulating programs during the year. The Music Department once again enjoyed the spotlight as it offered numerous concerts. Mr. George Grippo, new to the department, took up the baton of the Concert Band and conducted with a distinct flair. Selections from Sousa, Prokofieff, and Loewe were followed by the piece *Antietam* by Whear, accompanied by slides of the War Between the States.

The Symphonic Wind Ensemble enjoyed great musical success and popularity in concerts and occasional student assemblies. Shostakovich, Bach, Sousa, Wagner, Mendelssohn, and Roger Nixon were reduced to mere mortals as the dynamic group, for the first time under the direction of Mr. J. David Abt, played to a standing ovation at the annual Spring Concert.

The Symphony Orchestra shared the ethereal limelight, combining music by Mozart, Strauss, and Whear with the inspiration of Mr. Thomas Buttice.

In addition, music-lovers were treated to concerts by pianist Carmen Czernik, the Spurr-Lows from Chrysler, and the opportunity to "do their own thing" at Hicksville Recreation's Folk Concerts and Modern Music Masters' recitals.

THE SENIORS OF 1969

VITALITY AND FUN

The Class of '69 will go down in the annals of Hicksville High as one of the most vibrant and innovating senior class ever. Despite the usual barrage of petty complaints the senior officers, including Gary Enos, Glenda Miranda, Paulette Florio, and Pat Kiernan, have worked to achieve such goals as early senior priveledges, a senior trip to see *Zorba*, and a successful senior ball with fabulous entertainment.

Among regular school service functions, seniors this year did their share of manning the ticket booths, organizing the yearbook, senior pictures, and dousing the teachers on the Senior Trip.

One of the newest events on the scene was the coming of the *Monthly What?*, a biting and truthful carefully circulated newspaper.

THE SNOWBALL HIGHLIGHTS THE YEAR

A new dance was instituted this year as the demand for a mid-winter gala grew. The Snowball, the first semi-formal dance of its nature in Hicksville High, proved to be a rolicking success. The Soul-Kitchen provided the music all night long while couples danced to familiar rock sounds.

The Climax of the evening came over the excitement of electing a queen. Five senior girls were nominated this year in place of the football season homecoming queen. They were, Donna Boaro, June Pinataro, Louise Junge, Pat Kiernan, and Sue Wilson. Voting went on throughout the night. Finally the big moment arrived. Louise Junge came away with the honors, and became a very happy queen.

The Snowball will continue to be a hit of school years to come. Its success is inevitable.

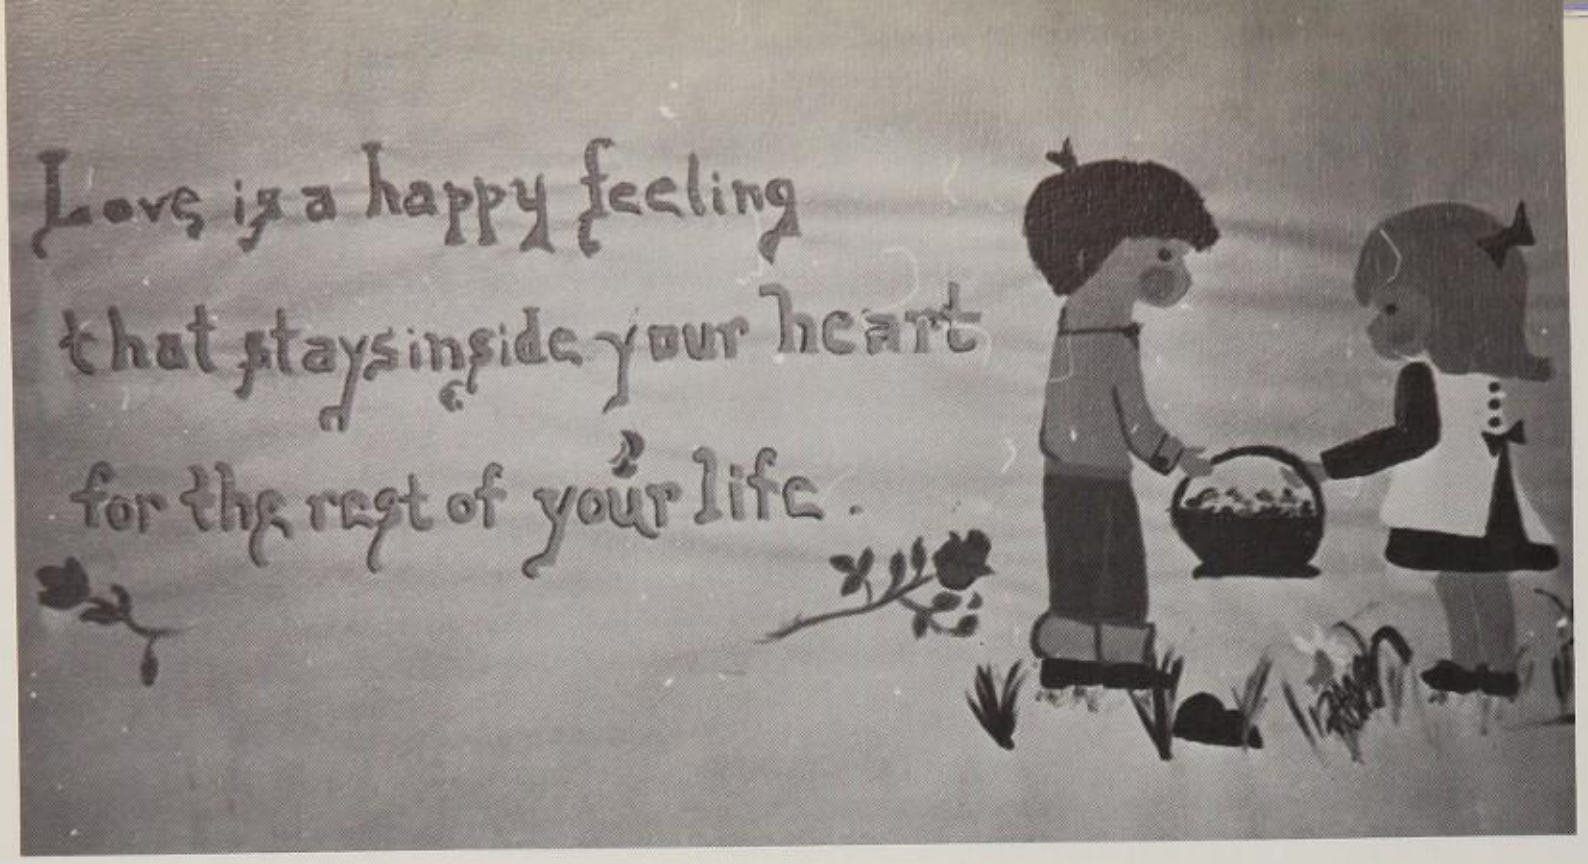
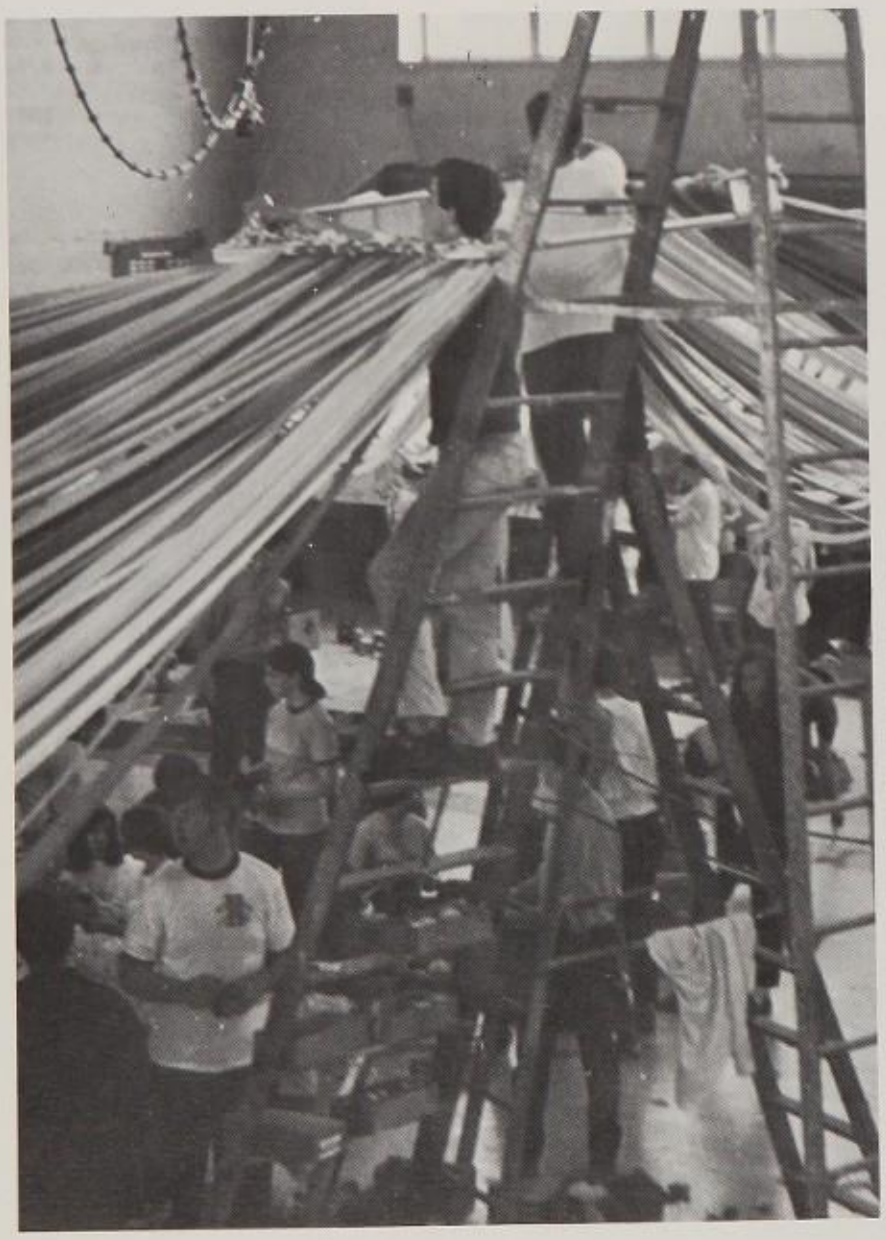
JUNIO





Spring fever hit early this year and the Juniors contracted the disease easily. They put their extra energy into planning and decorating for the main attraction of their year, the Junior prom. Heaps of crepe paper, buckets of paint, miles of chicken wire, and hundreds of two by fours arose from the floor to transform the gym into a place of splendor. Of course the evening was wonderful with entertainment by the Ciffons and the crowning event being the election of the queen and her court.

President of the Class of 1970, Joe Zuckerman, and the other officers, JoAnn Staffieri, Mary Jo DeFendis, and Cathie Brennan did their best to provide the best year for their class. Juniors turned out in force to act as guides, serve at the other proms and back the school with plenty of spirit. The Class of '70 has surely proved its worth.

RELAXED . . . at the sophomore hop, the officers of the class of '71 smiled for a portrait with Mr. Rusch and Mrs. Carter: (l. to r.) Wendy Leet, secretary; Robin Ribarich, vice-president; Hank Shadwell, president; and Carol Greenstein, treasurer.

The Class of 1971 had an opportunity to see all its members at the sophomore orientation in September. Although Mr. Rusch was not present, Steven Rose and other school leaders informed them about S.A.T. cards, and stressed the role of the All-School Council, student court, and class officers. Officially welcomed, the sophomores were on their way to make their first year at Hicksville a memorable one.

Once again, the sophomore hop started off the school's social season. Sophomores are usually christened "ghouls" by sneering upperclassmen, and this year they appropriately held a "Monster Mash." Spider webs, vampires, and all the nicest furnishings of a haunted house graced the old girls' gym. The Soul Kitchen dished out musical morsels, and exhilarated dancers whirled away the evening in the eerie atmosphere. At midnight, fangs were retracted, and the monsters vanished into the night, with inspiration for a successful year.

CONQUER THE FOES OF THE GRIDIRON

Defense Is Key

Under the direction of Coach Jim Grantham, the Varsity Football team claimed its third straight Division I championship. Only one defeat, coming in the final two seconds of the game against Syosset, blemished the Comets' 1968 season. In 1967, the gridmen lost their only other game in three years to Division Avenue, but this season the Comets triumphed over the Levittown team, 14—8. A strong defensive line spearheaded by All-County defensive end George Pelcher attributed to the team's success. All-Division linemen Steve Grilli, Xan Ostro, Dennis Patelis, and Chuck Zodda led the team to five shutouts and proved to their opposition that, as Coach Grantham said, they constituted "the strongest defensive line I've ever had at Hicksville." The highlights on the offensive side were Brian McAuley's passing and All-North Shore fullback Charles Zodda's sensational running. No doubt this year's starters will be a stunning defense for next season.

J.V. FOOTBALL

The Junior Varsity football team of 1968 maintained the exceptional standards of play set by previous JV football squads. Under the fine guidance of Coach Meyer, the team posted a final record of six victories (including five shutouts), no losses, and two ties—good enough for the North Shore Division I championship.

Offensively, the Comets shined with quarterback Clint Brown tossing to talented ends Gary Jackson and Tony DiLorenzo, and handing off to running back Jim Ajello. The defensive squad did their share—holding the opposition to a meager thirty-nine points (total) for the year.

The action on the field of course, is only the end product of weeks of hard practice and conditioning. Even during halftime, Coach Grantham maps second-half strategy *(right)*.

Varsity

Budget problems, hindering early season scrimmages and team practice, prevented Hicksville's Varsity Soccer team from gaining necessary momentum at the start of the season. However, under the careful guidance of Coach Renn, the varsity booters managed to post a gratifying 4—4—4 record, including 7 shutouts against the opposition. The Hicksville defense, which has always been known for its strength, boasted the creative footwork of fullbacks Ed Camara, an All-North Shore second team selection, and Mark Hortian, who received All-Division honors. The Comets, seemingly unconquerable on their home soil, thankfully acknowledged the skillful efforts of goalies Bob Giarraputo and Bill Whiffen. A potentially strong offense was unable to coordinate all the individual talent. Steve Van Wickler spear-headed the Comet attack, re-inforced ably by seniors Andy Lee, Richard Sosulski, Neil Zanville, Toby Allen, Marty Klein, and Bruce Rosenzweig. The Comets proved to be delightfully unpredictable as they blistered through a 1—0 victory over league-leading and undefeated Syosset. The return of five lettermen to next year's varsity soccer squad predicts the reestablishment of Comet supremacy in Division I.

Junior Varsity

The Hicksville High Junior Varsity record was not as impressive as the Varsity's. Under the able direction of Coach Roberts, the team showed desire and determination but were handicapped due to the late start of the season.

This year's offensive line showed fine ability and seems to be a good hope for the future of Hicksville High Soccer. The team's scoring attack was led by Kevin Patterson and Mark Weinreb with three goals apiece and with extra efforts from Dean Lewis and Henry Marano each scoring two goals.

The three wins the Comets did gain would not have been possible without the fine skills of goalie Ed Kahn and defensive backs Joe Gervasi and Steve Woodcheke.

Next year looks very promising with many fine players coming over from the Junior High and with many of the Sophomores returning last year.

GIVE ME AN *H*, GIVE ME AN *I*, . . . and all attention was given to the JV cheerleaders as they ran through their paces at a pep rally.

The HHS cheerleaders, always smiling and enthusiastic, led the fans through the football and basketball seasons. Maureen McAlister (varsity captain), Pam Hughes, Linda Brooks, and all the other cheerleaders sparked the spirit.

Coquettes

In their third year at HHS, the Coquettes once again supplied the sports fans with non-competitive pleasure. This year the girls did not limit their performances to halftime at basketball games—despite the wet and the cold, they graced the football field as well. Under the leadership of co-captains Robin Lieberman and Donna Grant, and advisor Mrs. Sheehy, the Coquettes produced the best kicks of the season.

Twirlers

Everyone who attends football games in autumn and watches parades in the spring cannot fail to realize that the Hicksville High School twirlers are something extraordinary. Each girl has her own special glitter.

All the twirlers enter individual competitions throughout the year. Their captain, Sandie Schwartz, is the 1968 Senior Miss New York State of Baton Twirling. Denise Zahn has been winning state medallions for several years; this year she won the state championship for 16 year olds. Ellen Mayer and Nancy Shapiro have been entering solo contests for three years and have a large collection of trophies and medals to show for it. Eileen Shauer was only recently introduced to individual competition, but she is well-versed in competitive team work. Altogether, the Comets have flair, flourish, and finesse.

IN THE BIG H . . . the band provides a nice backdrop for the HHS twirlers. Halftime shows were watched more intently with the twirlers' repertoire, added to the HHS fine cheerleaders and Coquettes.

A Rebuilding Year For the Racketeers

The Hicksville Varsity Tennis team started off the season with high hopes. They defeated MacArthur twice, but unfortunately were unable to overcome their old rivals, Syosset and Herricks. They finished the season with a disappointing 2—10 record, and placed fifth in the division.

The star role of the team was first covered by Neil Trabich and it was later taken over by Curtis Brill, who played commendably. The team's anchormen were Mitch Sakofs, Peter Travis, Mark Goldstein, and Jack Rubenstein. But Herricks and Syosset should not be overconfident. Next fall, the majority of this season's players will be returning to the courts, eager for greater success.

CROSS-COUNTRY

Hilsky's Harriers, also known as the Hicksville High Cross Country team, closed out the season with an encouraging 5—3 record. The young team (only one of the seven varsity runners, Bill Sanderson, was a senior) exhibited steady progress, and in the season's last Division meet they registered an upset victory over MacArthur. Varsity runners who will be returning are juniors John Johnston Mike Scanlon, Jon Leever, and Bill Kozak, and promising sophomores Pete Fuller and Jim Maddis. Johnston, the team's top runner, captured meet and received All North Shore honors. While especially high on Johnston, Coach Hilsky also foresees successful senior years for Scanlon and Leever. All in all, an excellent season is predicted for 1969. Partners in training, the Junior Varsity enjoyed an equally fruitful year. J.V. runners Lewis Gebhardt and Sheldon Melnitsky performed well and will be in contention for Varsity positions. The cross-country team can be characterized by its accent on youth and improvement.

NEITHER SNOW NOR RAIN . . . nor a muddy track prevented varsity cross-country runners from getting into the right shape.

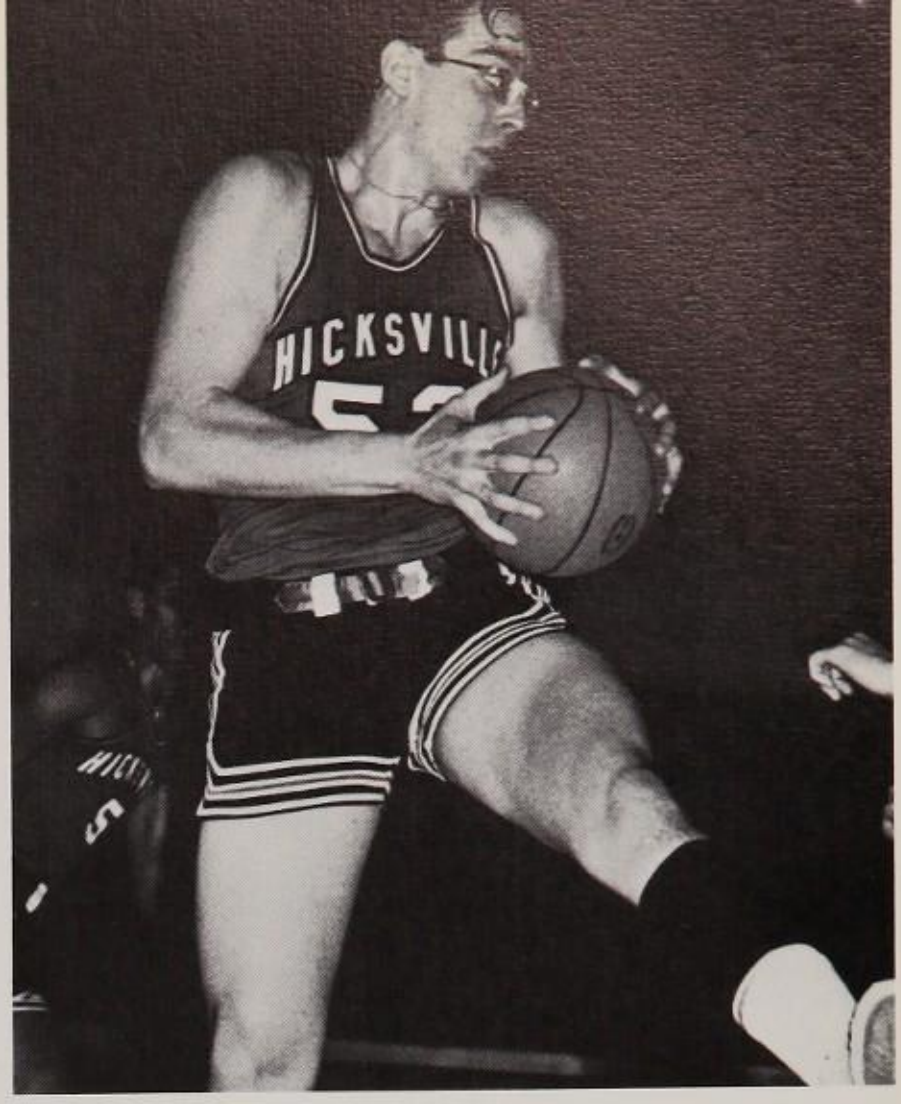
Varsity Comets Dribble to an Impressive Season and Show Sparkle and Promise for Next Year



CRUCIAL REBOUND . . . pulled down by Joe Zuckerman.

The Hicksville Varsity Basketball team concluded its '68-'69 season with an impressive 12—6 record. This included a seven-game winning streak and first place in the New Hyde Park Christmas Tournament. The Comets also finished third in their division, and thus gained a berth in the playoff.

Extra shine for the Comets came from excellent rebounding and scoring by Don Massey, Dan Schmitt, and Rich Dohoney. Bob Rogers and Bill Whiffen showed themselves to be excellent shooters and ball-handlers. A fine bench including Joe Zuckerman, Mike Glibowski, Neil Schainwooks, Don Cook, Ed O'Reilly, Paul Masciello, Chip Bayer, Carmine Torio, and Tony DiLorenzo helped Coach Bryan turn the tide in Hicksville's favor in a few close games. The coach predicts strong chances for the Division Championship next season, since so many of the finest players are returning.

The Junior Varsity team finished its season with a solid 10—8 record. Unfortunately, they were plagued with injuries and could not play with full ability. Nevertheless, Rick Miracola, Bill Kasten, and Steve Woodcheke played outstandingly.

WRESTLING

Despite a disappointing season, the Hicksville High wrestling team proved its ability in North Shore and County matches. The squad, with a 3—3 league record and a 6—7 overall record for the year, finished fourth in North Shore Division I. Bruce Hirshfield and Rich Kowalchuk placed first; Tony Defendis and Kurt Jurgelevich both finished third. Hirshfield also had the quickest pin, downing one man in 34 seconds. In the County Tournament, HHS placed ninth, with fine work from Kowalchuk (third), Hirshfield (third) and Jurgelevich (fourth).

The varsity squad was made up of seniors Bill Muller (148-lb. class), Bruce Rosenzweig, (123) and Tom Merendini (136); juniors Bruce Hirshfield (98), John Mackin (106), Tony Defendis (115), Greg Reilly (141), and Rich Kowalchuk (157); and sophomores Kurt Jurgelevich (130), Tony Giacomaggio (168), Tom McAllister (178) and Ray Gamble (215). Other excellent grapplers included Lou Chiodo (130), Wally Weller (130), Tom Diehl (148), and Doug Wheaton (178).

On the JV, Mitch Hirsh (98), Manny Lindo (106) and Bob Rogers (157) wrestled outstandingly. Bright prospects are ahead.

BOYS' BOWLING

The Hicksville High School bowling team rolled to a second place finish in Division I this season. Coach Harry Renn was very pleased with his team's performance and foresees an even better season next year, since most of the team will be returning.

Led by Lou Ciarelli, with a 175 average, the Comets compiled an 8—4 won-lost record which was good enough to get them into the County and North Shore matches. The team responded well under pressure, placing third out of fifteen teams in the North Shore meet, and sixteenth out of fourty-four teams in the County meet. Tony Nobile and Mike Carmen both played vital supporting roles throughout the season. Another exciting highlight was the 246 game rolled by Wayne Fels. This was the best game in Division I during the year.

The Junior Varsity followed the winning ways of the Varsity by placing second in their league with an 8—4 win-lost record. Topping the squad were Ed White and Dan Decker.

Just as an afterthought—the bowling team knocks down about 120,000 pins a year . . . and that's a lot of wood!

GYMNASTICS

In unusually fierce North Shore Division I competition, the Hicksville High gymnastics team closed out the season with a 3—5 record. With our team's accent on youth, the victories were all impressive. The coaching staff feels that with a combination of better luck and fewer injuries, some of the defeats could have been averted.

Gary Madden was star performer of the year, capturing third place honors on the high bar in the Nassau County Championships, and fourth place in the rope-climb. Madden, and other sophomores point to a successful 1970 season—with help from Fred Feldt (free exercise and tumbling), Pete Bernstein, and Tom Brennan (side-horse and long-horse).

IN ACTION . . . Lacrosse is a rough, fast-moving game. *Above;* varsity's *(l. to r.)*, Pat Dowling, Rich Kowalchuk and John Hannigan. *At right,* goalie Ron Greguski saves one.

This years Varsity Lacrosse squad under the fine direction of Coach Meyer started the season with good overall strength and plenty of hustle coming from returning lettermen Pat Dowling, Rich Kowalchuk, John Hannigan, Tom Flanagan. The squad looked well equipped in their pre-season games and in their disappointing 10—7 loss against Elmont in the opening game of the season. Returning from defeat the Comets routed Kennedy, 11—4, in their second game with outstanding efforts coming from Chuck Arnone, Brian McAuley and John McDermott, aided by Andy Lee and Mike Gallant. As it stands now, the varsity squad will assuredly finish high in the standings.

Coach Umbria's JV Lacrosse squad showed a great deal of aggressive ball playing through their first few games by defeating Kennedy, 8—2, and Elmont, 8—2. Leading the Comet offensively are Billy Pierce, Bob Rogers and Buddy Hannigan. Defensively the Comets were very strong with Brian Schumacher, Larry Genna and Goalie George Peicilles.

TRACK AND FIELD

An uphill battle was the outlook for the HHS track team in 1969. Heavy snow and early spring rains made the track unsuitable for practice. Coach Kingsley therefore had to rely on the halls of the new wing to get his team in shape. Several times his luck ran better and he could run his team on the sidewalks around the school. The team was also at a disadvantage without indoor track. Most of the other teams in the division had winter or indoor track programs and the teams were already in good shape for the spring season. Because of this disadvantage, the HHS track team had to work even harder to get ready for what promised to be a tough season.

The team was extremely strong in the running department this year. Ed O'Reilly, Jim Ajello, and 220 record holder Bob Shannon led the sprinters—senior Tom Merendini was the strong man in the hurdles. Jan Sokol ran a strong 440 with several others right behind him. Coach Kingsley had several outstanding distance men with returning seniors John Morrissey and Bill Sanderson running the 880 and mile respectively and junior John Johnston running the 2-mile.

Rounding out the team were Ed Kingsley in the broadjump and pole vaulters Danny Stefek and Tom Brennan.

Coaches Kingsley, Grantham and Feldman all see the team as a front-runner in the very near future.

BASEBALL

This year's Varsity Baseball Team looked as though it would follow in the tradition of Hicksville sports by placing well in their division, due to the coaching ability of Mr. Hogan and his well-rounded squad.

Experience on the mound will be a great asset to the Comets, with returning lettermen Bob Rodgers, Ron Dechent, Dave Skowrowski and Gary Jackson. Backing up the pitching was the aggressive infield led by Bob Rodgers, Charlie Reilly and Don Cook. Putting the finishing touches on the team and the chance for division title will be the batmen Dennis Patelis, Chip Bayer, and Pete Swedella.

The J.V. baseball team is also excellently equipped and expected to follow in the foot steps of the varsity under the professional guidance of coach Hilsky. The team played hard and successfully in their preseason workout. Some of the hopefuls for the Comets are Pitchers Fred Feeley, Randy Daub, and infielder Mattie Tedesco.

Field Hockey

Strenuous practice resulting in skill and hardened determination to triumph characterized the field hockey teams this year. Coach Miss Resnick felt that the girls could have achieved better records than 4—3—2 for Varsity and 4—1—1 for Junior Varsity—yet the teams played well and put in a great deal of effort. (They did remember to check the goal posts to see if they had just been painted before swinging on them).

Leading the teams in goal scoring were Karen Younggren (varsity co-captain), Joan McGowan, and Michele Scholar (JV captain). Sandy Zeig (varsity captain) and Chris Van Houten also deserve praise for their fine playing.

Volleyball has become a very popular sport among the girls at HHS. So, for the first time, volleyball coach Mrs. Kutch took the responsibility of choosing and training five teams, rather than the traditional two. Besides JV and Varsity, there were senior, junior, and sophomore units. The Varsity team was the star, with an almost perfect record of 8 wins and 1 loss—the loss after an extremely close game.

Outstanding Varsity players were captain Sue Alleman, co-captain Karen Younggren, Sue Halperson, Sue Kirsch, and Joan Hasbrouck. Fran Sonntag (captain) and Ginny Smith (co-captain) played well on the JV team, along with Nicki Korman and Nancy Halliday. On the senior team, successful players were Paula Eichler (captain), Joan McGowan (co-captain), Jenny Kirkpatrick and Sue Kopp. The junior team could boast of Janet Bergholtz (captain) and Chris Van Houten. The sophomores were led by Fran Landes (captain) and Arlene Gottesman.

Girl's Basketball

High Excitement filled the gym as the HHS Girls Basketball teams broke their huddle with a resounding shout of "Win!" and private thoughts of "Basketball Blisters Forever!" Through the serious, persistent coaching of Miss Garbosky, the teams developed a hard-core technique. The squads had a tough season playing other excellent teams, but pulled through admirably. The Varsity team, with a 4—3 record, was victorious at the AWPENYS Playday. Leading this honor team in scoring were Karen Younggren and Joan McGowan. Vicki Vrona, Joan Hasbrouck, and Denise Buckhaults showed exceptional skill in their positions. The JV fared almost as well as Varsity, with a 3—4 record. Terry Schumacher, Mavis D'Addario, Claire Gwiazda, and the team as a whole played to its best ability. Team captains were Sue Alleman of Varsity and Fran Sonntag of Junior Varsity.

AN ALL-COURT PRESS . . . did not upset varsity players like Vickie Brona.

Golf

Hicksville High Varsity Golf Team under the direction of Coach Renn began the season a few days behind schedule due to inclement weather. With the team finally assembled they went on to defeat Hewlett, 8—1 in their first match of the season. Playing first position and shooting an 81 was Rick Rennie. Right behind with an 82 was second position player Joe Sirico. Other fine performances were turned in by Mike Kelley, Bill Kasten, and Rich Dohoney. With the best equipped team in five years it looks like a promising year for Hicksville golf.

Girls' Gymnastics

The Girls' Gymnastic Team under the supervision of Miss Arlene Resnick represented Hicksville extremely well this year. This small but adequate team consisted of one girl from each class: Senior Sandy Zeig, Junior Barbara Sattler and Sophomore Debbie Somerville. Sandy was awarded second place on the Novice beam. Barbara, who has already completed the Novice stage, is working towards greater challenges. All the girls were striving for the Junior Metropolitan Championship and Novice All-Round Championship. Sandy practiced predominantly on the bars while both Debbie and Barbara worked out strenuously on the beam for the competition.

Girls' Bowling

The Hicksville High varsity bowling team, under the coaching of Mrs. Carter, ended the season with an unblemished record. Members of the undefeated squad included captain Janet Nathanson, Janet Bergholtz, Colleen Hummel, Diane Gencarelli, Leslee Nickel, Karen Werder, and Ginny Smith. The Girls' Bowling Intramurals, also directed by Mrs. Carter, completed a very successful year. The first-place-trophy winners were Janet Bergholtz, Ginny Smith, Janet Nathanson, and Karen Kladerman. Other trophies were awarded to Gay Hughes and Diane Smith.

Intramurals

Varsity teams may have more followers, but intramural sports still maintains its importance, allowing large numbers of enthusiastic students to compete with their schoolmates.

In winter, when students generally resign themselves to the dusty pages of world history, some athletic types contend for the intramural basketball championship; still others, with a flair for slashing, high-sticking, and spearing, don the gloves and sneakers for the rugged floor hockey season. Down the hall, in the Girls' Gym, the thumps of bouncing basketballs can also be heard—along with the shouts of well-contested volleyball matches.

When the spring thaw arrives, these hardy athletes venture out onto the softball fields, where many colorful teams compete. Properly distanced, gymsuited Robinhoods fire their arrows in girls' archery. Intramural tennis also emerges with spring to the courts of HHS and the net profits attract many participants.

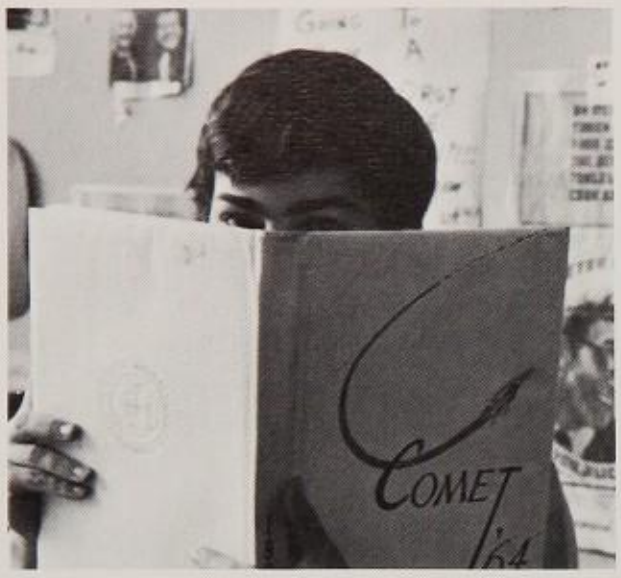
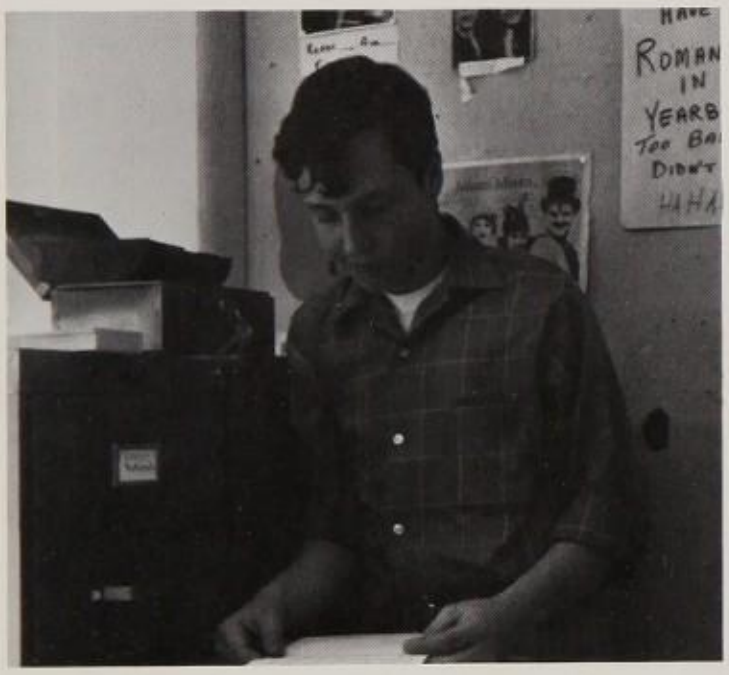
Joe Marschhauser proves that membership in school organizations —such as business manager of the yearbook— can be very profitable —in more ways than one.

ORGANIZATIONS



WHO ME? . . . Assistant Editor Dave Satran responds to a question concerning missing copy.



SALES . . . or the lack of them sometimes puzzled *Comet '69's* business manager, Joe Marschhauser.

Of course, the first thing that comes to mind is that the yearbook is an organization open to all HHS students, etc., but there's more to it. It's a group plotting and planning all year for the big coup in June—when the books are delivered. What is involved is a multitude of details—writing copy, assigning artwork, drawing layouts, checking proofs, taking pictures and aspirin—all aimed at the unshakable goal of producing that combination of *Life* and *Farmers' Almanack* that is a good yearbook. We have changed the cover, paper, length, typography, format, price, and photo studios this year—and splashed a little color here and there. A real effort has been made to get the spelling right, and to make sure that all of the graduating field hockey players get their proper recognition. Between the lines we hope to have captured some of the charisma of HHS, so that even twenty years from now hall mothers, chicken delight, Regents, and Mr. Jaworski will be fondly remembered. Deadlines, eviction from 236, and a late start notwithstanding, we've had fun.

All-School Council

Under the leadership of President Steve Rose, a potentially dismal year was turned into a sparkling success. Faced by disappointing SAT sales, the executive board was in greater possession of imagination than funds and made innovation and responsiveness to student needs their watchwords.

The council's greatest success by far was in the field of gastronomical relief. Rising to student demands for food after school hours, the council in conjunction with the cafeteria staff began a canteen. The canteen was so successful that there is some prospect of the belabored cafeteria realizing financial rewards. Not quite as successful, but still far from failure, were the campaign against vandalism and the establishment of a school dress code. In addition, the council completed the Peace Corps project, an ambitious program which had spanned a number of years and councils.

CHECKMATE . . . three times a week, when the HHS Chess Club met for practice and recreation. Captain George Berg retained his #1 rank all year.

Chess Club

The Chess Club met after school on Mondays, Wednesdays, and Fridays to give to all who desired it the opportunity to play the game which challenged Medieval barons. At the beginning of the year, a tournament was conducted among the members in order to pick a six man team to compete against other schools. Despite indifferent play, the team took the ninth place team trophy in the Greater New York High School Chess Championship.

Math Club

The Hicksville High School Math Club enjoyed one of its most successful seasons in fourteen years. Each Tuesday afternoon, members met in room 324 and faced challenging math problems. All who dared were welcome to join. Once a month the five best problem-solvers represented Hicksville in competition against other schools in the Nassau County Mathematics League. This year's team maintained a position equalled by only one other previous Hicksville team. Steve Breckner (one of the top ten scorers in the county), Chester Robbins, and Jon Tillem scored outstandingly. Other successful members were Mark Van Houten, Pam Lambert, and Mark Drier.

Interact Club

Underwritten by Rotary International, Interact was established as a service club in the tradition of its parent organization. The HHS Interact Club, a member of District 725, participates in numerous district activities. Regular projects include ushering, and sponsoring of dances, district conventions, and basketball games against other clubs. Aside from its usual school service, Interact is known for the annual scholarships it bestows. Membership is open to any boy in school.

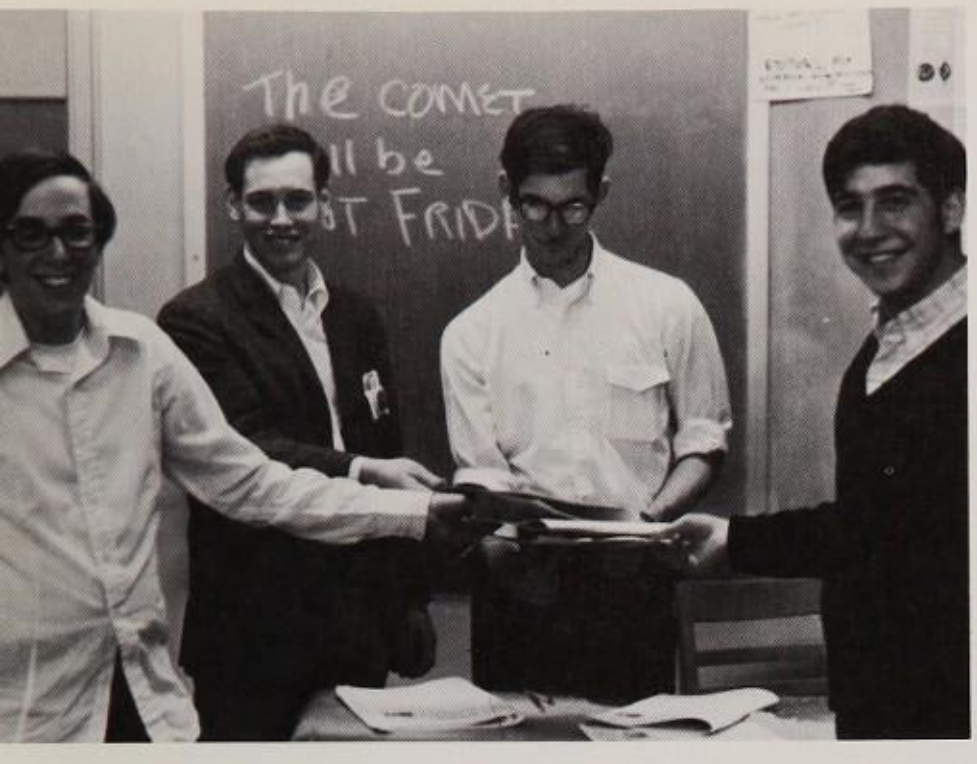
The COMET



PILING IT ON . . . *Comet* editors hand copy due to editor-in-chief Steve Rose: Don Engelman, Gary Pfeiffer, the Chief (Rose), and Russ Tisman.

This past year, the *Comet* has been more successful artistically than financially. Though the paper has not shown too much profit on the first few issues, the editors have been pleased with the results.

Editor-in-chief Steven Rose has initiated a new policy of more mature and responsible reporting about subjects in which the staff feels the student body has an interest. Steps have been taken so that the reporters can choose their own subjects to write about, rather than being given arbitrary assignments. Articles as diverse and sundry as those on the Student Court, a fashion column, the faculty alumni, and games with names have appeared.

The *Comet* has blazed a trail this year on which others may follow and improve.

Photo Club

Heavily armed with Yashica and rolls of tri-x, the crew, as Mr. Horne refers to the members of the Photo Club, turns up, welcome or not, at almost every student activity and event—producing a few giggles, gasps, and even a few choice words. Dues-paying members receive darkroom privileges: prints of candids, shapshots and esoteric nature studies are displayed in the school lobby. Members also find time for yearbook and newspaper assignments, during the course of the year.

Spring brovght the yearly "Washing of the Eagle" and in April, the *Cena Romana* (a Roman Banqvet, for non-ancients) introdvced parents to the spirit of Rome. Throvghovt the year, the clvb sponsored fvnd-raising events to provide a scholarship for a gradvating senior who intends to continve the stvdy of Classical Langvages. Also, for the first time, a Latin-tvtoring program rvn by stvdents was attempted.

Italian Club

The Italian Club could boast of having sponsored many interesting field trips this year. Under the supervision of Mr. Ferraro and Mr. Pacienza, members and friends explored the Italian Renaissance at *The Great Age of Fresco* exhibit in the Metropolitan Museum of Art. In February, several members attended a concert given by Milva, an Italian pop singer, at Philharmonic Hall. The club was attracted to Lincoln center again in March, when the New York State Theatre presented *La Traviata,* an opera by the very Italian composer Giuseppi Verdi.

Der Deutsche Verein

Der Deutsche Verein spent much of the year raising money for two $50 scholarships. One is for the best senior German student and the other for the senior who did the most for the club. Efforts to increase the treasury included the successful carwashes and a cake sale at a home basketball game. To round out the year, members attended a concert of the Vienna Boys Choir in New York City and then filled themselves up with German gusto at a typically Teutonic restaurant.

VERY INTERESTING . . . were the German club's varied exploits this past year. *Above,* Der Deutsche Verein offers its services in the carwash trade. (Volkswagens, 25¢ off). *At left,* club members sell the goods at the club's cake sale, at the games.

French Club

This year the French Club broadened its horizons to include many varied activities. These were made possible by the more than seventy spirited members. The Club made two trips into New York City where they saw "The Umbrellas of Cherbourgh" and a play by Moliere, as well as enjoyed the world renowned French cuisine. To climax this year's activities the Club sponsored 'Cabaret', a dance which featured the music of the Blue Grass Illusion, the Can-can and fine food.

Spanish Club

This year the Spanish Club sought to prove that languages can be ungrammatically exciting. They held a Piñata party, with a complete Spanish buffet. Bands, Bands, Bands

In room 182 there is a large ogre of glittering brass and twittering silver. Until Mr. Abt takes command, it exudes exuberant howls; under his baton, it becomes the Symphonic Wind Ensemble. This advanced band played the music of Shostakovich, Sousa, Roger Nixon, Wagner, Mendelssohn, Schumann, Bach, and other challenging composers throughout the year. At both its winter and spring concerts, as well as at its assemblies, the SWE has proved itself one of the best products of the school.

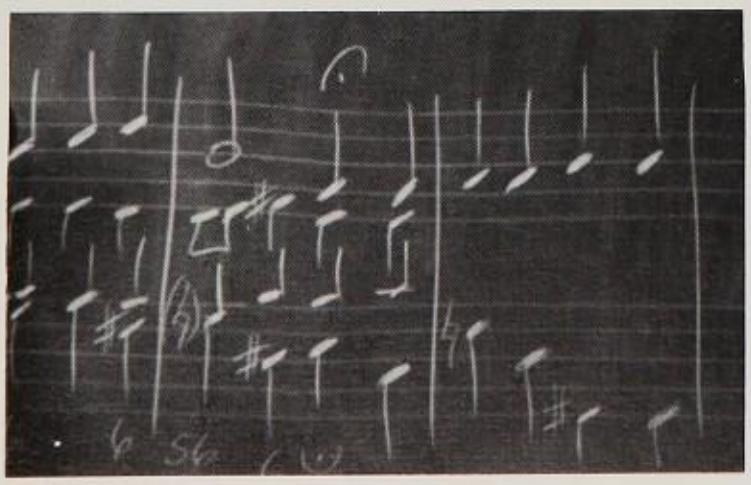
Mr. Grippo conducted the Concert Band with a great deal of gusto and productive abandon. They performed works by Prokofieff, Sousa, Loewe; at the spring concert they presented a mixed media work, combining "Antietam" and slides of the Civil War.

Those dashing black and orange uniforms assembling on the football field announced the arrival of the Marching Band. Fringed by piccolos and supported by bass drums, they executed fancy maneuvers while dousing the crowd with wide-eyed music. They were also a welcome addition to the Memorial Day parade.

Also under the direction of Mr. Abt was the dance band, which played at the Alumni Dance before Christmas and at the Variety Show. Their repertoire ranged from big beat to subtle croon. Thus, the bands of HHS show rare talent in every aspect of their field.

SHOWERED BY CONFETTI . . . the Hicksville High Marching Band reaps a fringe benefit of their labors—free admission—while they rest a bit before taking the field for the big halftime show.

PRACTICE—AND PERFORMANCE . . . JoAnne Kleiner waits for her cue at the keyboard *(right)* at one of the numerous dance band rehearsals. On stage *(far right)* the saxophone section wails in the Variety Show; *(l. to r.)* Scott Wohl, Dennis Herold, Pete Bernstein, Izzy Reinish, and Howie Feldman.



BRAVO . . . at the winter concert, the Symphonic Wind Ensemble receives applause for William Walton's *Crown Imperial.*

ANY SIZE GROUP . . . can be found making music in our school. Solo work is most often done, like Dina Burstein *(right)*, in lonely practice rooms in the music complex; group therapy is also available—daily—in the well-stocked sections of the concert bands: *(above, from left)*—Ted Liban, Joe Sirico, Dave Spindel, and Bruce Rudd. For more gregarious musicians, Marching Band *(below)* is always available.

Chorus and Orchestra

This year the Symphony Orchestra, under the direction of Mr. Thomas A. Buttice, performed a varied repertoire, ranging from *The Emperor Waltz* to the *Catskill Legend.* In addition to the annual Winter and Spring Concerts, they provided the music for *South Pacific.* The group played for two assemblies for the high school in February and May, another for an elementary school in April, and performed at the National Honor Society induction in May. Many of the orchestra's seventy members were also in the Symphonic Wind Ensemble, and sacrificed their lunch period to join the strings and Mozart.

Hicksville has three choruses and a small chamber group, the Madrigal singers, all directed by Mr. Arnold. The Mixed Chorus is predominantly made up of sophomores. The Girls' Chorus is comprised of girls from all three grades. The Chorale is the most advanced chorus of juniors and seniors. This year in addition to the traditional winter and spring concerts, the Chorale added a modern music concert with pieces by Lockwood, Bernstein, Verdi and Freed.

The Madrigals, who sing for community functions as well as school programs, is a select group of 8 girls and 8 boys. Its programs are built around Renaissance madrigals, but they also include music from all periods, from Josquin Des Prés to Jean Berger, the contemporary American composer.

AT THE KEYBOARD . . . Mr. Charles Arnold, choral director, plays accompaniment during rehearsals for Hicksville High's four choruses: the Madrigals *(above)*, the Chorale, the Girls' Chorus *(right)*, and Mixed Chorus.

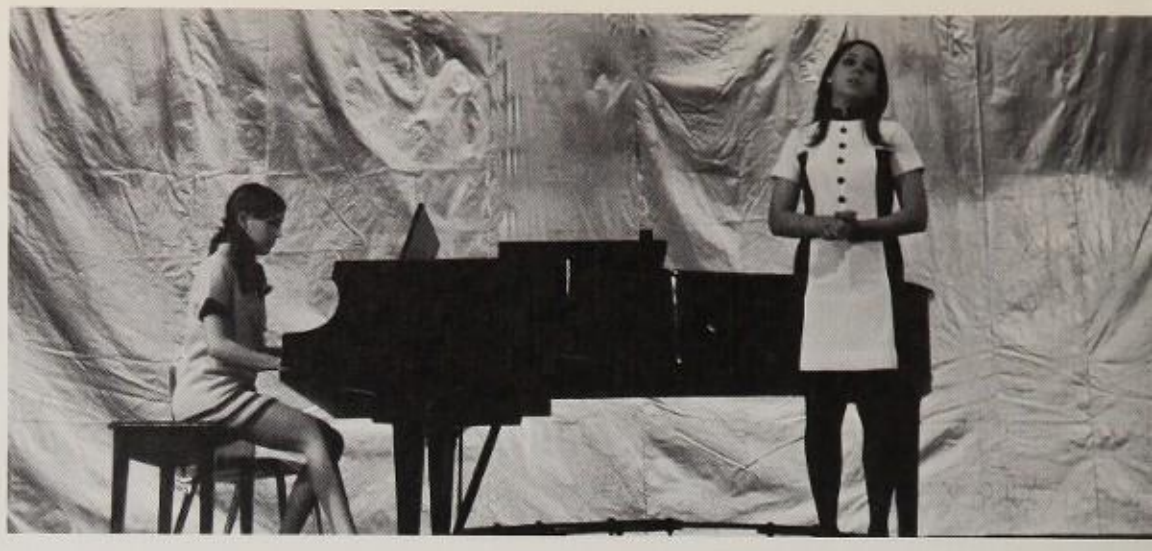
Modern Music Masters

Modern Music Masters is a national honor society designed to provide greater musical experiences for high school students. This year Tri-M arranged an assembly program with a concert pianist, Carmen Czernik, and held a successful alumni recital before Christmas. Tri-M members participated in two student recitals, and a few teachers performed in a Teacher Talent Night. All Tri-M sponsored concerts were characterized by geniality, good food, and, above all, noteworthy performances.



TRI-M RECITAL . . . in February included vocalist Gail Greenstein and accompanist Marilyn Sherman.

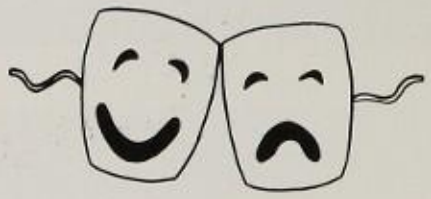
National Thespian Society



Troupe 2125 is the Hicksville High School chapter of the National Thespian Society, uniting all students who take part in the school's dramatic productions. Membership is based on a point system—an accumulation of one hundred points, gathered by working on the shows, is needed to become a Thespian. This year the society presented *Sock-It-To-Me Variety*, *The Taming of The Shrew*, and *South Pacific*, mindful of the Thespian motto: *There are no small parts, only small actors. Play well your part; there all honor lies.*

National Honor Society

The National Honor Society is an association comprised of those students who have been ranked in the top 15% of their junior class. The students are chosen for scholastic excellence, leadership, and service. During the past year the members of the Honor Society tutored fellow students within the school and organized a VISTA book collection. Miss Kosko was the faculty advisor and metaphysical leader.

Key Club

The Key Club of HHS is just one of thousands of Key Clubs making up this well-known international organization. Our local club, with sixty members, is one of the largest in New York State. The purpose of the Key Club is to offer its services to the school and community. Its members sell refreshments at sports events, act as ushers for school productions, and aid the adult education program. Collecting money for the Heart Association and other charities is an annual function. The Key Club also awards two scholarships—academic and technical—to two deserving students in the school.

Future Nurses of America is devoted to further the goals of those students interested in the nursing profession. This year members took profitable field trips to Mary Immaculate Hospital, Nassau Hospital, the Bellevue-Hunter Hospital School of Nursing, the State University at Farmingdale, and Holy Trinity High School. The club also held a cake sale and a Christmas candle sale, and participated in the Heart Association fund drive. Several guest speakers from nursing organizations visited the school to inform the club of opportunities and requirements for various nursing careers.

Are those the thumps of angry Cossacks descending from the Steppes? If he had peeked into the Cafeteria, a bemused student would have seen a horde of harmless folk dancers prancing about to Greek, Russian, Israeli, and American music. The efforts of the members of the Folk Dance Club to master beautiful and often invigorating dances were viewed at the Particle Tea in April. The dancers obtained both public and personal satisfaction.

FOR THE *PARTICLE* TEA-GOERS . . . members o the Folk Dance Club presented an exquisite dance in ethni costume.

Human Relations Club

The Roundtable-Human Relations Club was formed this year to enable students to expand and expound their views on political, social, ethical, philosophical, and metaphysical topics. This was done through student discussions, debates, and speakers. Some of the speakers included a Nassau County Sheriff, members of the State Assembly, a professor at Hofstra University, members of the Israeli and Jordanian missions, a Welfare representative, and speakers from Christian Science and Scientology. Student discussion topics varied from the morality of war to the benefits of LSD. The club also sponsored a teacher forum on the role of the Federal Government in our society.

Library Service Club

The Library Service Club is composed of students who sacrifice their free periods to work in the library. Their numerous and often arduous responsibilities range from cataloguing books to shelving them. The club also sponsors projects such as book collections for Vista and contributions of various volumes to the library.

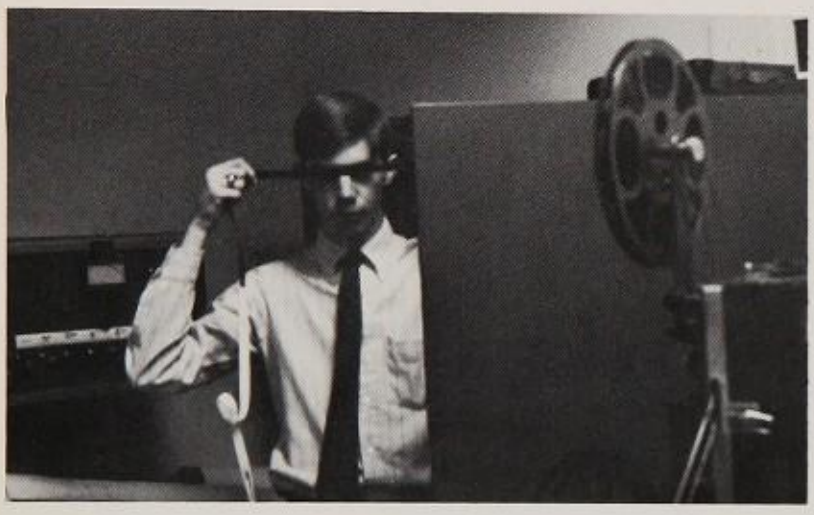
The Ski Club

Snow Bunnies Unite! For the third successful year, the Ski Club introduced the most popular winter sport besides roasting marshmallows to eager high school students. Under the supervision of Mr. Gallagher and Mr. Higginson, many trips were planned to a variety of slopes. All these expeditions were quickly swelled to capacity by members willing to rise before the sun did.

Audio-Visual Squad

The Audio Visual Club is one of the largest organizations in the school. In addition to running the familiar projectors, the club is also actively involved in photography, school announcements and the reproducing of curricular materials. The Audio Visual Club provides the announcing at both football and basketball games. It also is involved in setting up the lights for dances and microphones for shows.



AUDIO-VISUAL SQUAD: *FRONT ROW: (left to right)*—Ken Dalton *(president)*, Gary Pfeiffer *(vice-president)*, Andrew Churak. *BACK ROW*—Paul Albert, Martin Cohen, Larry Dixon, Chris Joannides *(vice-president)*, Bob Finkelman, Ed Zuilkowski, Tom Lang. *Not pictured*—Donald Born, Robert Fallier, Diane Goeckeritz, Mike Heroy, Keith Mallow, Brian O'Donnell, Arthur Siegel, Wayne Sternberger, Richard Schnetzer, James White, Garry Hansen, and the group's leader, Mr. Sparr. Working on the audio-visual squad enabled boys to effectively handle complicated A. V. equipment *(left)*.

J.E.T.S.

The members of the JETS club have had under the leadership of their new advisor Mr. Coles one of their most active years. While membership has been limited to a very few active members, the activities have been numerous. Among projects undertaken were protozoan cultures, a microwave oven, plant reactions to sound, and toxin studies. With the success of these projects the members hope to encourage an influx of new members.

DECA (Distributive Education Clubs of America) is an organization for business students. It provides social as well as practical experience for those who work after school.

This year DECA members attended the Student Leadership Conference at the Concord Hotel in upstate New York. They also participated in County School Installation Banquets and attended numerous Nassau County conferences and contests. As always, interschool meetings, visitations, and social activities were an integral part of DECA.

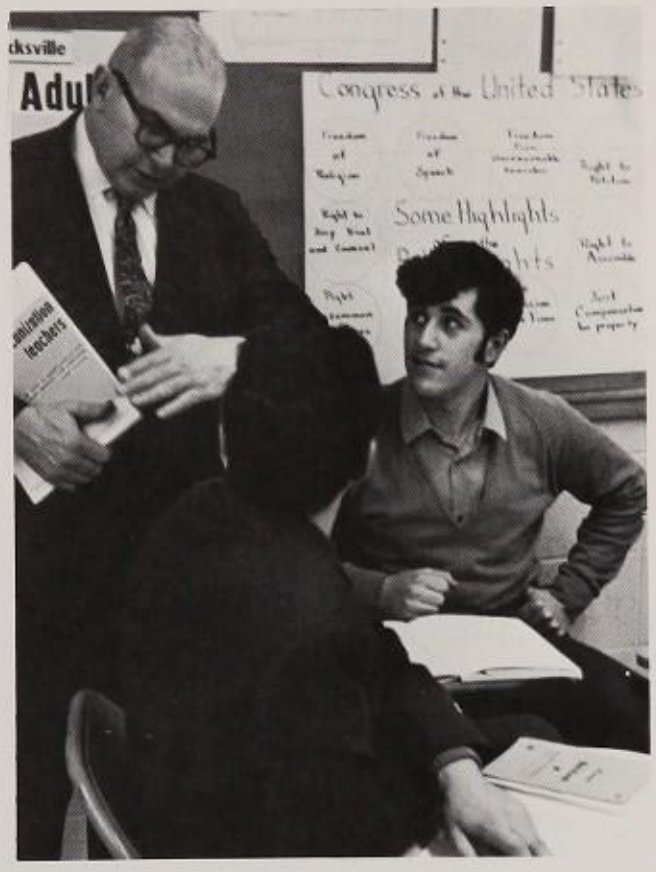
Future Teachers of America

The Future Teachers of America Club is dedicated to the concerns of children and young adults, and created to direct high school students to a career in educating America's youth. FTA conducts an annual Student Teaching Program in which members have a chance to student-teach at elementary schools in Hicksville. This year, FTA donated a Christmas tree complete with decorations to the Nassau County Children's Shelter. The proceeds from the club treasury provide a scholarship for a deserving senior FTA member.



TURE TEACHERS AT WORK . . .FTA members help- along the process of Americanization for local immigrants king for citizenship, in Mr. Sklarz' Adult Education sses. *Above*, Mr. Sklarz congratulates Miss Denise Yan- ne, as president of FTA. The students' involvement in the ogram made possible a tutorial system of instruction, in- uable for the purpose: Americanization and instruction of glish. *At right*, Mr. Sklarz, of the history department at HS, took time out to emphasize an important aspect of U.S. vernment.

Dear Graduate:

Graduation is a most important time in any family's life. A time to reflect about the many good things that have happened in the last four years ... and a time to think about the years ahead.

I am certain that you have considered furthering your education, either in college or in the many fine trade or nursing schools which are available. Perhaps you have already made a decision ... we hope it was to continue your education.

Now here's how we can help!

Under a cooperative arrangement with the New York Higher Education Assistance Corporation you may borrow from $750. to $1,500. a year with a maximum of $7,500. for attending college ... lesser amounts for trade schools. You make no payments and there are no interest charges while you are in school. Upon termination of studies you can take up to six years to repay. Loans are made directly to the student ...no co-signers are needed. Dial the telephone numbers listed below for additional information.

May we take this occasion to congratulate you on your graduation and to wish you a successful and rewarding future.

Cordially,

Michael J. Burke
